

*Dr. Wayne Johnson, former U.S. Department of Education, C.O.O., under Sec. Betsy DeVos (in the TRUMP Administration), speaks to Tucker Carlson on his Nov. 22, 2019 show, about problems facing American Higher Education STUDENT DEBT crisis.

Also known as the famous "Hear it from Tucker" video, in which even far-right Conservatives admit that the *system* is broken, instead of simply blaming students trying to "do the right thing" and get educated. Small "Fair Use" clip for news, commentary, research, criticism, etc. Original source: FOX NEWS ; taken from "Arthur Wayne Johnson" YouTube channel.
