### Chairman Priebus:

I am in receipt of your survey. While I did fill it out, we are at a crisis, and the US Dollar, which backs (guarantees) certain toxic (and Predatory) loans, described in my reply to your survey, will crash, unless painful measures are taken. -- That is my prediction, and I stand by it, but the measures will not be painful to most of us - just a small number in the Dept of Higher Education, and a small number of banks. (But, it will be **\*\*very\*\*** painful to these, and do expect resistance if you attempt to "do the right thing.")

A copy of my completed survey -- with sources, cited to back and verify my strong claims -- is attached, in three (3) different formats: \*html Webpage; Microsoft Word \*.doc; and PDF format, so you have no excuse if our party, the GOP (the Grand Old Party) continues to screw up. -- No, my attachments do NOT contain any viruses, but you are charged to SCAN the attachments BEFORE opening, in order to be a good "personal responsibility" Republican.

The GOP has CONTINUED to fail me - time after time - when liberal RINO Republicans kept screwing up MY party, and so I am VERY angry, but luckily, I do not have a violent streak, like many you may encounter; and, so, you can rest assured that I have full control over my emotions and will respond politely to you regarding the grave offenses that I (and others) have encountered. -- All the same, the fact that I even "go there" indicates the severe nature of the problem, and, at the least, I trust the GOP "so very little" to actually review my survey that I am compelled to resend it *AGAIN*: "Please see attached." -- THEN (and *ONLY* then, once and after you've read my reply to your survey), if you have questions, only AFTER you're carefully reviewed my reply, **THEN** you may contact me. Other than that, I don't want to hear from you: The GOP has gotten on my last nerve and is on probation, if you know what I mean. (But, since I'm a Christian, I see reconciliation to my estranged brother, which, in this case, is the GOP.)

I've done my part to fix your (our) party's royal screw-ups.

With kind regard, I am,

Sincerely,

GW Watts - full contact info in my attachment -and my email footer, below///

Gordon, your community matters to us in this critical election.

Which is why I want you to tell me what we need to do in your community to make sure Trump wins and our Party keeps our majorities in the House and Senate intact.

**Please take our 2016 Field Survey to help us shape our winning ground game.**

We must stand strong against a liberal media and Hillary Clinton. We must break through the noise, stand united, and stay focused on winning this November.

Let me tell you what we've been doing and will continue to do:

- Recruiting volunteers and building a grassroots army in all 50 states
- Running a top-notch data and digital program to reach as many voters as possible using cutting-edge technology

But now I want you to assess our program. I want to be sure that you feel our ground game is being executed as effectively as possible.

Get Truth.

"First, they [Nazis] came for the Jews. I was silent. I was not a Jew. Then they came for the Communists. I was silent. I was not a Communist. Then they came for the trade unionists. I was silent. I was not a trade unionist. Then they came for me. There was no one left to speak for me." (Martin Niemöller, given credit for a quotation in *The Harper Religious and Inspirational Quotation Companion*, ed. Margaret Pepper (New York: Harper & Row, 1989), 429 -as cited on page 44, note 17, of *Religious Cleansing in the American Republic*, by Keith A. Fornier, Copyright 1993, by Liberty, Life, and Family Publications.

Some versions have Mr. Niemöller saying: "Then they came for the Catholics, and I didn't speak up, because I was a Protestant"; other versions have him saying that they came for Socialists, Industrialists, schools, the press, and/or the Church; however, it's certain he DID say SOMETHING like this. Actually, they may not have come for the Jews first, as it's more likely they came for the prisoners, mentally handicapped, & other so-called "inferiors" first -as historians tell us -so they could get "practiced up"; however, they did come for them -due to the silence of their neighbors -and due in part to their own silence. So: "Speak up now or forever hold your peace!"-GWW
