GORDON W WATTS

PLANT CITY FL 33566-7511

GORDON, your Revised Pay As You Earn (REPAYE) Repayment plan has been approved on your eligible loans.

Your calculated REPAYE plan payment amount: \$0.00
Plan begin date: 03/25/20
Plan end date: 02/25/21

What you need to know

- **You need to renew with documentation of income and certification of family size every year.** If you renew but fail to certify your marital status or family size, we may assume a family size of one for the year. We'll send you a reminder prior to the renewal due date.
- **If you don't renew with the above information by the deadline, you will be removed from the REPAYE plan.** Your loans will be placed on the alternative repayment plan where payments will reflect the amount necessary to repay the loan in full within the lesser of 10 years or the remainder of your forgiveness period (20 or 25 years). Unpaid interest will be capitalized (added to your loan balance).
- **If your financial situation changes, your Monthly Payment Amount can be recalculated.** If your income changes over the next 12 months, you can submit a request to base your payments off your new information.
- **You can exit the REPAYE plan whenever you want.** Let us know and we will update your account. When you exit the plan, Unpaid Interest will be capitalized (added to your principal balance).

What to expect

We'll send you a billing statement that shows your new Monthly Payment Amount. If some of your loans are not currently in repayment, such as loans in a deferment, forbearance or paid ahead status, your monthly billing statement(s) will reflect a lower amount due until those loans have entered repayment.

If you don't receive your billing statement before your next due date, please continue making your payments as previously scheduled.
