Good job, **Angel S. Urbina Capo Angel S Urbina**. Thank you for your support of student loan bankruptcy uniformity as the U.S. Constitution's Uniformity clause requires. This old bill was a good bill that addressed both private and public student loans. However, it expired in Congress. The current Congress and Senate have 2 different bills, one being S.2598, a bill with twice as many GOP sponsors as Democrats -- and which addresses only public student loans but with a 10-year waiting period and some accountability measures.
