Rep Banks--

I am Conservative Press -- see below -- and am doing reporting on the reference which Rep Scott Franklin (R-FL-15) made to you -- see below for his newsletter referencing you. He is my local Congressman.

PRESS INQUIRY: We want to know whether your bill, referenced by Rep. Franklin, **cuts or eliminates** use of our tax dollars to make/ guarantee collegiate loans as does the bill attached to this email would. (Note: collegiate debt is about 2 Trillion dollars -- almost 10% of total US DEBT.)

Yes or No.

If yes, where in your bill-- please cite your sources.

And, if no-- why not? **This Liberal pork spending must be cut or eliminated to avert a crash of the dollar from bloated debt.**

For reference, I am the same Conservative guy who almost won the legendary Terri Schiavo pro life case all by myself doing better than even Jeb Bush and all other pro-lifers *combined* -- Google GORDON WAYNE WATTS and TERRI SCHIAVO or reference the Fla Supreme Court archives to verify -- or see below.

### Sources:

[1] In Re: GORDON WAYNE WATTS (as next friend of THERESA MARIE 'TERRI' SCHIAVO), No. SC03-2420 (Fla. Feb.23, 2005), denied 4-3 on rehearing. (Watts got 42.7% of his panel) <https://www.floridasupremecourt.org/clerk/dispositions/2005/2/03-2420reh.pdf>

[2] In Re: JEB BUSH, GOVERNOR OF FLORIDA, ET AL. v. MICHAEL SCHIAVO, GUARDIAN: THERESA SCHIAVO, No. SC04-925 (Fla. Oct.21, 2004), denied 7-0 on rehearing. (Bush got 0.0% of his panel before the same court) <https://www.floridasupremecourt.org/clerk/dispositions/2004/10/04-925reh.pdf>

[3] Schiavo ex rel. Schindler v. Schiavo ex rel. Schiavo, 403 F.3d 1223, 2005 WL 648897 (11th Cir. Mar.23, 2005), denied 2-1 on appeal. (Terri Schiavo's own blood family only got 33.3% of their panel on the Federal Appeals level)

We are heavy weight conservative press and seek a speedy reply from you **and Rep. Franklin** as to whether you support these necessary pork spending cuts which are long overdue if we are to avoid continued running up the debt and crashing the dollar.

Thank you,

**Rep. Franklin -- with all due respect:**

You complain **about debt** (See quote below), but refuse to even TRY to file bills to enact the solutions outlined in

<https://ContractWithAmerica2.com/#pork>

which offer solutions to **STOP** obscene excesses in pork spending, *which you just got finished complaining about as a cause of skyrocketing natl debt.*

Why can't you be like [Greg Steube](#) or [Matt Gaetz](#) -- who, while not perfect, support CONSERVATIVE legislation a LOT more than you?

*That's why my legislative project page, **CONTRACT WITH AMERICA: PART II(TM)**, give a lot more positive news coverage for them than for you:*

*[Both Gaetz and Steube](#) support Medical Marijuana (which has a 91% approval among voters), and both keep getting reelected. Your predecessor, Ross Spano (like most GOP lawmakers) did not, and most of them got a beatdown by Democrats in the last 2-3 elections, handing Nancy Pelosi the gavel.*

*[Gaetz](#) is being investigated for alleged sexual misconduct, but I suspect he will be cleared of all wrongdoing, and then go on to extend his reelection bid and legislative record... why would this be?*

*[Gaetz](#), a "good" Conservative, supports upgrades to our grid (See my project page), medical marijuana (as mentioned above), and student loan bankruptcy uniformity (as required by the Constitutional Uniformity clause-- Art.I Sec.8, clause 4 if you will -- see his stellar comments in the House Judiciary markup committee regarding H.R.2648 from last session to hear Gaetz' eloquent defense of student debt bankruptcy bills -- which are NOT a free handout but rather required the U.S. Constitution's Uniformity clause!).*

**Are you really looking for a solution or just complaining? Solutions are on my project page. Please either file one version of the pork spending cuts bill in SECTION II of my Key Legislation section (there are 2 versions for variety and flexibility) or defend your refusal to act upon your claimed Conservative values re excessive natl debt. I've reattached -- as PDF files to this email -- both the pork spending cuts proposed bill as well as the tax cuts bills from last session. (Rick Scott's claim that college tuition is a tax lends me to lean on my nickname of the collegiate loans bankruptcy bills as tax cut bills -- they also are attached and need to be refiled and passed by GOP lawmakers unless you like to hand a victory over to Free Handout Democrats again-- and tell Pelosi she can keep the Gavel!)**

***Oh, besides continued GOP losses if you don't "get it into gear," Scott, I predict a crash of both our power and telecommunications grid AND a crash of the U.S. Dollar if you and fellow Republicans continue to ignore my legislative requests for help here.***

***Don't say your political experts didn't warn you; we have -- and are.***

**It's your move.**

"First, they [Nazis] came for the Jews. I was silent. I was not a Jew. Then they came for the Communists. I was silent. I was not a Communist. Then they came for the trade unionists. I was silent. I was not a trade unionist. Then they came for me. There was no one left to speak for me." (Martin Niemöller, given credit for a quotation in The Harper Religious and Inspirational Quotation Companion, ed. Margaret Pepper (New York: Harper & Row, 1989), 429 -as cited on page 44, note 17, of Religious Cleansing in the American Republic, by Keith A. Fornier, Copyright 1993, by Liberty, Life, and Family Publications.

Some versions have Mr. Niemöller saying: "Then they came for the Catholics, and I didn't speak up, because I was a Protestant"; other versions have him saying that they came for Socialists, Industrialists, schools, the press, and/or the Church; however, it's certain he DID say SOMETHING like this. Actually, they may not have come for the Jews first, as it's more likely they came for the prisoners, mentally handicapped, & other so-called "inferiors" first -as historians tell us -so they could get "practiced up"; however, they did come for them -due to the silence of their neighbors -and due in part to their own silence. So: "Speak up now or forever hold your peace!"-GWW

## Plant City Student Wins Congressional Art Competition

Congress of the United States  
Washington, DC 20515

May 17, 2021

The Honorable Antony Blinken  
Secretary of State  
2001 Constitution Avenue, N.W.  
Washington, D.C. 20520

The Honorable Peter Burleigh  
Secretary of Transportation  
1200 New York Avenue, S.E.  
Washington, D.C. 20590

Dear Secretary Blinken and Secretary Burleigh:

We write to you today in strong support of Taiwan and its autonomy in the face of continued military and diplomatic pressure by the Chinese Communist Party (CCP). We urge you to continue to fully support Taiwan and uphold the provisions of the *Taiwan Relations Act* as you craft the Administration's East Asia strategy. Specifically, we are concerned about the continued exclusion of Taiwan from the International Civil Aviation Organization (ICAO).

Throughout the U.S.-Taiwan relationship, Taipei has proven itself a trusted ally to the United States and a valuable partner in the Indo-Pacific region as we continue to strengthen our stance against the territorial ambitions of Beijing—both in the region and around the world. The United States shares the democratic values of Taiwan, a robust trade partnership, and deliberate cooperation to combat communism across the globe.

On January 24, 2021, China's defense ministry spokesman Wu Qian said, "Taiwan independence means war." This is an escalation in both posture and rhetoric by the Chinese Communist Party and one that should be met with equal support from the U.S. for Taiwan's autonomy. Taiwan is a stronghold of democracy and freedom in the region, but Beijing has made it a top priority to bring Taiwan under its fold, as it has to Hong Kong, Tibet, and other freedom-loving governments. With these recent comments, Wu Qian and the CCP have suggested the possibility of a forceful takeover of the island.

The CCP conducted illegal daily aircraft incursions into Taiwan airspace during the month of January, including an incursion of eight aircraft capable of carrying nuclear weapons on January 24, 2021. This escalation and the threat of further incursions is a clear violation of U.S. support for Taiwan. We join in demonstrating our continued support for Taiwan and thank you for reaffirming your "no-acknowledgment" stance toward Taiwan in including itself. We ask that you work to include Taiwan as a member of ICAO in order to protect air travel safety, international cooperation, and logistical planning in the airspace. In light of the COVID-19 pandemic and the importance of air travel, including Taiwan from these international discussions jeopardizes the health and safety of the people of Taiwan and around the world. This dispute precedes time with Taiwan's exclusion from the World Health Organization (WHO).

which is an ongoing concern, and we must not allow these issues to continue in airspace diplomacy. Taiwan is home to the eleventh largest airport in the world, and the country's absence in this organization ignores the public health and safety issues of global air travel.

It is critical that we continue to publicly work with Taiwan and our other allies across the globe in countering CCP influence in the region and international community, as well as continuing to build our diplomatic and defense relationships. We are ready to work with your department to see Taiwan included in the ICAO and the WHO, as well as to build on previous work to ease restrictions that allow us to increase our diplomatic missions to Taiwan. Lastly, we encourage you to continue to work to implement the *Taiwan Relations Act* and similar legislation related to Taiwan.

These steps will reinforce the strength of the U.S.-Taiwan relationship and promote further cooperation between Taiwan and our other allies in the region. We stand ready to work with you on this effort and look forward to protecting the autonomy of a free, democratic Taiwan.

Regarding his spending agenda, @POTUS asked "what would they have me cut?" Let's start with my amendment to the COVID relief bill requiring states to certify that they actually need these funds, as opposed to just throwing \$2 billion to non-existent municipalities. Unfortunately, it was defeated on party lines without a single Democrat voting in favor.

Smith Demands Transparency & Accountability for...  
With waste, fraud, and abuse showing up in the \$1.9 trillion spending, it is time for answers ...
