From: Gordon W. Watts, Natl Dir, CONTRACT WITH AMERICA: PART II®™

Subject: Short Press Inquiry to Jim Jordan

Date: Monday, 23 October 2023

Dear Congressman Jordan:

I have a very short, 2-part (yes or no type) press inquiry, but the subject matter is both complex and emotional (and I fear you will screw up *again*, as you have already), so I shall include a forwarded email **and** attached research to help you (should you need to look deeper).

While you and I would both probably find it "easier" to just get me a brief answer to my short, 2-part Press Inquiry, here, I fear you will need to read my email/attachments, below, and given the headache I know that will entail, I shall posit 3 arguments "for" carefully reading all this (or getting a few senior staff to), especially given I'm a Conservative reporter/ columnist/ politico whom you may not have heard of-- and below that, my brief 2-part Press Inquiry with supplemental or optional comments:

1) You (and all other) GOP lawmakers keep getting shut down due to having alienated and angered "too many" lawmakers in both the Republican and Democrat parties, and your situation is "not good," in fact, very dire.

Besides making all GOP Republicans everywhere (lawmakers, and ordinary Americans like me) look like clowns, you are threatening to crash the dollar by your stubborn and obstinate refusal to cut key pork spending. "Not good."

2) Notice the cc line, please, and know the world is watching.

3) Since you haven't heard of me, here are a few of my accomplishments to verify that I'm not just some "big mouth" with a website that is "his name dot com."

By way of introduction, I'm Natl Dir of CONTRACT WITH AMERICA: PART II®™, Registered Trademark, which should speak for itself. Moreover, here are but a few of my heavy-weight Conservative creds

! I nearly won the largest pro-life case since Roe -- all by myself:

[1] In Re: GORDON WAYNE WATTS (as next friend of THERESA MARIE 'TERRI' SCHIAVO), No. SC03-2420 (Fla. Feb.23, 2005), denied 4-3 on rehearing. (Watts got 42.7% of his panel) <https://www.floridasupremecourt.org/clerk/dispositions/2005/2/03-2420reh.pdf>

[2] In Re: JEB BUSH, GOVERNOR OF FLORIDA, ET AL. v. MICHAEL SCHIAVO, GUARDIAN: THERESA SCHIAVO, No. SC04-925 (Fla. Oct.21, 2004), denied 7-0 on rehearing. (Bush got 0.0% of his panel before the same court) <https://www.floridasupremecourt.org/clerk/dispositions/2004/10/04-925reh.pdf>

[3] Schiavo ex rel. Schindler v. Schiavo ex rel. Schiavo, 403 F.3d 1223, 2005 WL 648897 (11th Cir. Mar.23, 2005), denied 2-1 on appeal. (Terri Schiavo's own blood family only got 33.3% of their panel on the Federal Appeals level) <https://media.ca11.uscourts.gov/opinions/pub/files/200511556.pdf>

PRESS INQUIRY PROPER:

1) REPUBLICANS / CONSERVATIVES SEEK ANSWERS:

Conservatives and Republicans everywhere -- including Matt Gaetz, myself, and numerous others are very disturbed, angered, and disappointing at you for refusing to even *try* to reduce or eliminate \$\$\$TRILLIONS\$\$\$ of my tax dollars being used to originate (make) student loans to students who can/will NEVER repay these over-inflated costs of college. While "much" pork exists, nonetheless, student debt, at over \$2 trillions, with a T, is almost ten (10%) percent of total U.S. Debt, and also the largest area of discretionary pork spending in the budge-- and --with our about \$33 Trillion Natl debt, YOU WILL CRASH THE DOLLAR, collapsing the economy if you don't get your act together.

There are three ways you can answer me here:

A)) do nothing and risk disaster.

B)) craft a well-spoken response to my press inquiry, addressing in detail why you haven't even tried to stop federal student loan originations, even though page 35 of the official REPUBLICAN PARTY PLATFORM clearly requires such.

C)) You might do like Sen. Josh Hawley's office did, when I had a similar press inquiry: they never responded directly, but hours later, I got an email from Congress.gov showing he signed on as cosponsor to the bill he supported in committee comments, and further described at <https://GordonWatts.com/#GOP> or

<https://GordonWayneWatts.com/#GOP>

2) DEMOCRATS / LIBERALS SEEK ANSWERS:

Kevin McCarthy worked, across the aisle, with Democrats on issues in a way that didn't compromise his -- our -- Conservative values, and both Dems/Liberals as well as the undersigned reporter are very disappointed that

you have not joined Sens. Cornyn, Hawley, and Durbin on S.2598, a bipartisan student loan reinstatement bill from last term, or joined Congresswoman Glenn Grothman on his student loan bankruptcy bill, H.R.4563, also from last term.

Speaking only for myself, but others will agree, I view you as a "double standard" hypocrite, as you tell college students "bankruptcy self-defense for me but not for thee," something that also, I'm sure many will agree, your stance is not in agreement with the "golden rule" of both Moses (Leviticus 19:18, Leviticus 19:34) and Jesus (Matthew 22:39, Mark 12:31, Luke 6:31, Matthew 7:12, etc.).

This is offensive both to people of faith, even also to atheists and agnostics who have a conscience, as they-- too-- were/are created in the image of God.

Jim-- there are three ways you can answer me here:

- A)) do nothing and risk disaster, as bankruptcy is the only Conservative Free Market check on profligate spending we haven't tried (see the PDF print attached in this email of Congr. Glenn Grothman's press release that explains it better than I).
- B)) craft a well-spoken response to my press inquiry, addressing in detail why you haven't even tried to stop federal student loan originations, even though page 35 of the official REPUBLICAN PARTY PLATFORM clearly requires such.
- C)) You might do like Sen. Josh Hawley's office did, when I had a similar press inquiry: they never responded directly, but hours later, I got an email from Congress.gov showing he signed on as cosponsor to the bill he supported in committee comments, and further described at <https://GordonWatts.com/#GOP> or

<https://GordonWayneWatts.com/#GOP>

Closing comments: We I spoke to Virginia Foxx, while she didn't give a direct answer to my question, nonetheless, she is a genuine Christian who is open-minded and said she'd consider my free market arguments for the various student loan bankruptcy bills, including Grothman's bill, when I reminded her Grothman and myself are NOT Liberals, AT ALL, ok? But-- while Dr. Foxx has NOT said anything negative about you, when your failure on these 2 key points alienated and offended both scored of Democrats and Republicans alike, I will: Sir, you make us look like clowns, and I am very displeased, but I am a Christian FIRST, and then a Conservative Republican, ok? Therefore, while Virginia is afraid to say it, I will not: You, sir, are threatening to tarnish Dr. Foxx's stellar Conservative track record here: She actually WANTS to eliminate the Dept of Ed, but feels powerless. So, if you care about her, and fellow-Americans on both sides of the political spectrum, I suggest a "strategy" to address concerns on both sides: The student loan bankruptcy legislation would show Democrats you care about them, without compromise of Conservative values, while also forcing down irresponsible lending excess in Dept of Ed, and make the spending cuts legislation for student loans politically viable (obviously it hasn't been up to now, so I'm telling you what to do to make spending cuts possible: Support the various student loan bankruptcy bills FIRST, then this would push back Swamp higher ed lobbyists who -- then -- would see the handwriting on the wall.

I look forward to an official response f5om you -- and all visible Cc recipients.

With kind regards, I am, Sincerely,

/ Gordon Wayne Watts /

SUBJECT: Jim Jordan/GOP failed again in bid for House Speaker: You didn't learn from history--doomed to repeat it-- Angering both Conservatives like me and Democrats alike. Do you want a shovel to keep digging yourself deeper in-- or would you not try my sage advice?..

Rep. Virginia Foxx, at https://facebook.com/story.php?story_fbid=861218495366818&id=100044360262782/ , writes the following:

I'm casting my vote for Jim Jordan to become our next Speaker - he can set the House on the right path.

It's time to move forward. It's time to unite. It's time to get our House in order and continue delivering upon our commitment to the American people.

RESPONSE BY GORDON WAYNE WATTS:

! UPDATE: Since I posted this, I see Jim Jordan fail, because "you all" (tone deaf lawmakers in both parties-- particularly my GOP fellow-Republican lawmakers) didn't listen to my sage advice, so I'll summarise the 2 key problems you need to overcome if you want to win & regain honour--and work with Democrats to cooperate, Ok?

1) ANGRY CONSERVATIVES!! First, Jim Jordan & other RINOS angered me, Gaetz, & other CONSERVATIVES by his STEADFAST REFUSAL to even ATTEMPT to cut Liberal pork -- such as the "epic fail" student loan originations spending.

! ALERT! ! Student debt, at over \$2 Trillion, is THE LARGEST AREA OF LIBERAL PORK DISCRETIONARY SPENDING, and almost ten (10%) percent of total US DEBT. And we, Republicans, need to stop blaming helpless high school students just trying to obey parents and GET EDUCATED, and, instead, take personal responsibility for this, as it's OUR FAULT, ALL CAPS == YELLING!! (As we have a shortage of doctors, nurses, engineers, students have no choice but to go to college, at any cost, so telling students to "not go" if tuition is too high is crazy, stupid, and dangerous-- **shortage of doctors, hello?**)

Here are tips to reverse the loan limits increase bills RINO John Boehner passed:

And: <https://Archive.vn/laznT#pork>

And: <https://Web.Archive.org/web/20230610084509/https://ContractWithAmerica2.com/#pork>

2) ANGRY LIBERALS!! Next, Jordan & other hateful "double standard" RINOS support a "bankruptcy self-defense for me, but not for thee" double standard regarding collegiate debt aka Constitutionally-protected bankruptcy uniformity. While student loan bankruptcy RESTORATION AND REINSTATEMENT as a needed Conservative Free Market check on profligate spending by the US DEPT of Education for student loan originations spending is in DEMOCRAT platform (and not in our Republican platform), still, I'm a Christian and Constitutional Conservative **FIRST**, and **then** a Republican, and we must be honest & admit Dems are actually more right-- more Conservative-- here. Here are tips for student loan bankruptcy legislation-- with a reminder that **#DoubleStandard** Jordan angered Democrats & Liberals by his failure to support corrective legislation, such as the bipartisan S.2598 by Cornyn, Hawley, & Durbin or Conservative Congressman Glenn Grothman H.R.4563, another good student loan bankruptcy bill, or even H.R.9110 (Rep. Nader's bill), S.4772 (Sen Rick Scott's clawback), or H.R.4907 (Rep. Steve Cohen's bill for private student loans, which I think has been refiled this 118th session).

Before moving on, I want to comment that numerous, unnamed, Republican say things like "I don't want students to have bankruptcy self-defense, because it'll cost taxpayers money." You (and you know who you are, but I shall be respectful and not name you) are talking like Gun-Grabbing Liberals who want to defund the police and say "I don't want police & honest Americans to have guns & 2nd Amendment self-defense, because it'll cost lives by gunshot victims." WRONG!! When cops & good citizens have guns, crime goes DOWN, and likewise, when student borrowers have bankruptcy self-defense, trillions in wasteful tax\$\$ predatory lending WASTE goes DOWN. Please, don't be a liberal here, my fellow-Republicans, ok?

All five bills, above, are from the 117th, eg, last session and should be refiled, passed, and signed into law, lest we crash the dollar from collegiate loan originating spending excesses, ok?

Besides guarantee a crash of the dollar, ALL LAWMAKERS -- ESPECIALLY HOUSE REPUBLICANS -- LOOK LIKE IDIOTS and make "common man" Republicans like ME look like idiots. Please, stop it already!! 🚫 Please read this, my last few email, and the web resources, if you still are genuinely confused.

Sorry for my anger, but I speak for millions of frustrated Americans. I pray for all my leaders-- and staff-- and wish you the best. TRY AGAIN.

⚠️ END UPDATE-- Here's my original reply, which you didn't heed, and much to the dismay of REPUBLICANS everywhere. Come on, Dr. Foxx, please try again, this time the right way, ok? ⚠️ END UPDATE--

Respectfully, Dr. Rep. Virginia Foxx, Jim Jordan refuses to act to cut the largest area of discretionary pork spending, namely the over \$2 Trillion with a 'T' in student debt that resulted from student loan originations spending-- PROHIBITED by the very REPUBLICAN PLATFORM you, yourself, coauthored, and as well-documented at <https://ContractWithAmerica2.com/#pork>

I appreciate you taking time to speak with me when Atty. Dennis Ross (happy birthday 🎂, Dennis!) hosted your talk when visiting Lakeland's SEU this past February 2023, but -- unless Jim Jordan gets his act together and OPPOSES this toxic pork (instead of blaming high school students just trying to obey parents and GET EDUCATED), I will recommend to Congresswoman Laurel Lee and Congressman Scott Franklin (our Central Fla delegation) to NOT vote Jordan.

I wish you the best, but -- as Dennis might say -- Respectfully, I urge you to support Conservative spending cuts here, and please review my tip regarding using bankruptcy self-defense as a Conservative Free Market check on profligate spending by the US DEPT of Education offered by Constitutionally-protected bankruptcy uniformity, see Art.I Sec.8 Cl.4, US CONSTITUTION'S BANKRUPTCY UNIFORMITY CLAUSE.

P.S.: the bipartisan S.2598 (STUDENT LOAN BANKRUPTCY BILL, remember?) from last session, sponsored by Sens. Hawley and Cornyn (rock solid Conservatives) and Durbin, would garner helpful Democrat support while forcing down irresponsible lending/spending on student loan originations, and maybe win him the Speakership. Just a thought.

Anton Vanrey, the student loan system is broken. Please reach out to my office, I introduced The Clean Slate Act in July.

<https://nikemawilliams.house.gov/posts/congresswomen-williams-stevens-adams-and-ross-introduce-legislation-to-deliver-relief-for-federal-student-loan-borrowers>

MY RESPONSE:

Congresswoman Nikema Williams hey, I may be a Conservative Republican, but I am an honest person of faith first, AND TOTALLY AGREE, so I want to reach out to YOU and respectfully point out that the legendary Alan Collinge is correct in his claims that NO good treatment of student borrowers will EVER happen unless

and until Constitutionally-protected bankruptcy uniformity (Art.I Sec.8 Cl.4, US CONSTITUTION'S BANKRUPTCY UNIFORMITY CLAUSE) is returned, ok?

EDITOR'S RECOMMENDATIONS:

This **bipartisan legislation** bills last session need to be refiled and passed into law:

S.2598, S.4772, H.R.9110, H.R.4563, and, for private student loans, H.R.4907

<https://www.Congress.gov/bill/117th-congress/senate-bill/2598/cosponsors>

(The bipartisan Durbin, Cornyn, Hawley bill)

<https://www.Congress.gov/bill/117th-congress/senate-bill/4772/cosponsors>

<https://www.Congress.gov/bill/117th-congress/house-bill/9110/cosponsors>

(Jerry Nader's bill)

<https://www.Congress.gov/bill/117th-congress/house-bill/4563/cosponsors>

(And for private student loans)

<https://www.Congress.gov/bill/117th-congress/house-bill/4907/cosponsors>

As proof of that, Congresswoman Rep. Williams, I posit 2 proofs:

1) First, your DEMOCRAT PARTY platform, as documented **[[1]]** in our open investigation

Or <https://GordonWayneWatts.com/#OpenInvestigation>

Archived at:

promises DEMOCRAT lawmakers will work to reinstate and restore bankruptcy self-defense, **and about 85 or 86% of ALL BLUE STATE Democrat lawmakers, according to our investigation, DO NOT even TRY to keep your word.**

SOURCES:

[[1]] QUOTE: On page 71 of the 2020 Democratic Party Platform[14], we see they clearly say that: **“Democrats will also empower the CFPB to take action against exploitative lenders and will work with Congress to allow student debt to be discharged during bankruptcy.”** (p.72, par.1, sentence 2) [Editor's Note: This is page 72 of 92 of “PDF” page numbers, but the writer labels this as page “71,” since there's a title page that offsets numbering by one.] **Source: “2020 Democratic Party Platform,”** used under Fair Use for commentary, criticism, and research. (I'm not prejudiced, Nikema, and you see proof where our investigation finds **[[2]]** that **about 91 or 92% of all RED State GOP lawmakers are likewise LIARS** and DO NOT even try to reduce or eliminate taxpayer funded student loan originations, which would also force down illegally-inflated price-gouging levels of tuition inflation.)

My recommendation would be to try this 3-prong approach, as **ALL** OTHER methods are an abysmal failure, and it is probably best to do it in this order, for reasons I shall clarify:

1) File legislation to return, restore, and reinstate bankruptcy self-defense to STUDENT LOANS, like it was in our parents'/grandparents' time, back when the system had ✓ ✓ ✓ checks and balances on predatory lending.

<https://ContractWithAmerica2.com/#bankruptcy>

<https://GordonWatts.com/n.index.html#bankruptcy>

<https://GordonWayneWatts.com/n.index.html#bankruptcy>

2) Then **and ONLY then** will sufficient Conservative Free Market checks on predatory lending exist to **FORCE BACK** higher ed lobbyists sufficient to allow loan limits legislation to pass. (If you disagree here, please explain why GOP lawmakers haven't as yet attempted this, even tho it be in our official REPUBLICAN PARTY PLATFORM regarding it's prohibitions against student loan originations spending by Dept of Ed using MY taxpayer dollars!!!!!!!)

3) Then direct funding college, like we do with public ed, and both taxpayers (a concern of us Conservatives) and students (a concern of you Democrats) will benefit.

We MUST engage 🔄 teamwork, and work together.

So far, **both political parties** have **REPEATEDLY** failed to protect taxpayers, students patients, and doctors (we have a shortage of doctors and nurses and engineers due to sick SICK sick costs of college).

Please try my path, and if not, please show me a better path.

SUBJECT: Top 10 List regarding collegiate debt bankruptcy legislation

Date: Friday, 08 September 2023

Dear Congresswoman Lee and staff:

I am following up on our prior legislative requests on 2 economic subjects of import which need corrective legislation, which is in your wheelhouse aka your ken of authority to address.

I notice that you have not filed any legislation either to cut unnecessary (and actually harmful) "pork" student loan originations subsidies (as our GOP Platform specifically prohibits!) or reinstate & return constitutionally-protected bankruptcy uniformity (as the U.S. Constitution specifically requires, at Art. I, Sec. 8, cl.4, the legendary bankruptcy uniformity clause). The risks (which include a collapse of the economy and crash of the U.S. Dollar!, not to mention getting "sideways" with God Almighty, Himself, and/or a majority of your constituents, whom you are duty-bound and sworn to represent) are varied, manifold, numerous, and great in magnitude. To that end, I will try to "meet you halfway" and make your job easier -- as, indeed, I'd like help were myself a Member of Congress.

Before I begin, my father, the late Bobby Watts, once told me that authorities (such as you) should outright do the "right thing" without even having to be told, which hearkens back to a famous quote by retired Member of Congress, J.C. Watts, who famously said: "Character is doing the right thing when nobody's looking. There are too many people who think that the only thing that's right is to get by, and the only thing that's wrong is to get caught. --J. C. Watts" LINK: https://www.BrainyQuote.com/quotes/j_c_watts_106082
Or: <https://Archive.vn/3szfl> Or: https://Web.Archive.org/web/20221110143411/https://www.BrainyQuote.com/quotes/j_c_watts_106082 My dear mother (who is, thank God, still living) said something similarly, when she said that I should ask those decision-makers (such as you) to put yourself in my shoes, which is another way of stating the "golden rule." --- So, without further ado, here, in the "style" of SATURDAY NIGHT LIVE'S "Top 10" lists (<https://www.Google.com/search?q=saturday+night+live+top+10>), here is a "Top 10 List of reasons you & other lawmakers should immediately file the collegiate debt bankruptcy legislation":

[Top 10 List of reasons Congresswoman Laurel Lee, R-FL-15, & other Lawmakers should immediately file legislation to reinstate & restore Collegiate Debt Bankruptcy Uniformity](#)

#10.) PHYSICAL HEALTH: America already has a shortage of doctors, nurses, & engineers, due largely to unaffordable tuition inflation's effects on the cost of college, and bankruptcy defense would force down tuition by operating as a Conservative Free Market "check" on excess student loan origination, forcing colleges to lower costs to levels people can afford. (Note: Shortage of medical personnel is a threat to all Americans' health.)

#9.) PHYSICAL HEALTH REDUX: Irresponsible, greedy, or evil stewardship of one's job duties weighs on the "conscience" and adversely affects one's health, whereas "doing the right thing" is a positive factor in one's health. (Sources to verify: Proverbs 17:22 KJV, Holy Bible, accepted by all professing Christians, incl. Congr. Lee, verifies: "A merry heart doeth good like a medicine: but a broken spirit drieth the bones." PROVERBS 17:22 LINK: <https://www.BibleGateway.com/passage/?search=Proverbs%2017%3A22&version=KJV;NIV> Science agrees: LINKS: <https://www.MayoClinic.org/healthy-lifestyle/stress-management/in-depth/stress-symptoms/art-20050987> AND: <https://www.apa.org/topics/stress/body> AND: <https://www.apa.org/topics/stress/health> AND: <https://www.ncbi.nlm.nih.gov/pmc/articles/PMC5579396/> AND: <https://www.HealthLine.com/health/stress/effects-on-body> AND: <https://www.Google.com/search?q=stress+effects+on+health>

#8.) FINANCIAL: All economists agree that restoration and return of bankruptcy defense to student loans would restrict, reduce, force down (and possibly eliminate) excess profligate spending to fund student loan originations using MY tax dollars. In fact, if this "check" on excess lending by Dept of Ed weren't necessary, someone please explain to me why almost zero GOP lawmakers have even attempted to reduce or eliminate these forbidden loan subsidies as our Republican Party's official platform specifically prohibits on page 42 of said platform: "The federal government should not be in the business of originating student loans." (1ST sentence of last paragraph, near bottom-right of page) [Editor's Note: This is page 42 of 66 of "PDF" page numbers, but the writer labels this as page "35," since the first 7 pages weren't given regular page numbers.] Source: "REPUBLICAN PLATFORM 2016," used under Fair Use for commentary, criticism, and research. Editor's Note: This author could not find a more current version, such as 2020 or more recent. Editor's Note: One of the two co-chairs of the GOP PLATFORM linked above is Congresswoman Virginia Foxx, whom I personally know to be a sincere and genuine Conservative (not who merely talks a big game), but even she hasn't tried to reduce or eliminate these toxic, prohibited, unnecessary, and forbidden "Liberal Pork" student loan subsidies! Why? Either she's a closet Liberal or she needs Student Loan Bankruptcy legislation as a Conservative Free Market "check" (she often speaks of needed checks/balances iirc) to force down lending and make it politically easier to make the needed cuts: Lobbyist would then see the proverbial "handwriting on the wall," back off, and allow the cuts (by legislation), as they'd see them coming down anyway due to market forces. Gov. Mary Fallin (R-OK) is the other co-chair, and Sen. John Barraso (R-WY) is the chairman of the 2016 REPUBLICAN PLATFORM (the latest available), referenced above & attached. Student debt, at over \$2 trillion (with a "T"), is almost ten (10%) percent of total U.S. debt, the **largest** area of discretionary spending in the budget (only a few "mandatory" items -- such as defense and social security) outrank student loan originations, and failure to cut this unneeded (even harmful: it drives up tuition) pork WILL result in a crash of the U.S. Dollar and collapse of the economy, as we hemorrhage and bleedout.

PROOF OF THAT: Students have actually repaid FAR more than borrowed (unlike PPP recipient), and this even at illegally-inflated tuition inflation <https://ContractWithAmerica2.com/#PaidInFull> Or: <https://Archive.vn/laznT#PaidInFull> Or: <https://Web.Archive.org/web/20230610084509/https://contractwithamerica2.com#PaidInFull> --and cancellation of ALL federally-held student debt would, therefore, cost nothing (even helping taxpayers by possibly collapsing this toxic Epic Fail lending scheme/scam, Ponzi/Bubble), but as students haven't paid on student debt in over 3+ years (e.g., since March 27, 2020, when Congress passed the Cares Act, temporarily suspending payments & waiving interest on federal student loans), they've had a taste of freedom, and any attempts to restart payments will crash the system, thus student loan originations MUST STOP immediately (directly funding colleges -- like we do with 5TH Grade, perhaps), putting colleges on a "restricted diet," or otherwise, we WILL crash the dollar.

#7.) LEGAL / CONSTITUTIONAL: The U.S. Constitution's legendary uniformity clause, Art. I, Sec. 8, cl.4, doesn't require there be any bankruptcy discharge available for anybody, but if it does exist, IT MUST BE UNIFORM: Congress *ONLY* has power to pass UNIFORM bankruptcy code (*ask any college student: the U.S. Code is NOT uniform, as most others have a differing standard for bankruptcy, not the nearly impossible "Undue Hardship" standard. NOTE: The uniformity clause is a "special case" of Equal Protection, and --I think --based strictly on the golden rule of three (3) major religions: treat others as you'd like to be treated*). **QUOTE:** "The Congress shall have Power To...To establish a uniform Rule of Naturalization, and uniform Laws on the subject of Bankruptcies throughout the United States;" (Art.I, Sec.8, cl.4, U.S. Const., something Attorney Laurel Lee should know well, as she's also an attorney with a storied work record) LINK: <https://www.Archives.gov/founding-docs/constitution-transcript>

#6.) MORAL: While we don't force anyone in America to believe or join a certain religion (freedom of religion, hello?), nonetheless, as clearly documented in recent news coverage of THE REGISTER, Lee is a publicly-professing Christian, and therefore should obey her own religion, which includes the clearly unambiguous "golden rule" -- QUOTE: "Next, astute readers will notice that Watts' reply to Grassley's emailed response cc copied his new Member of Congress, [U.S. Rep. Laurel M. Lee \(R-FL-15\)](#), who replaced [U.S. Rep. C. Scott Franklin \(R-FL-18\)](#) when Franklin's [district shifted boundaries](#), placing him in the Florida's newly-redrawn 18th Congressional District. While Lee, the wife of former Florida State Senate president [Tom Lee](#), is an "unknown quantity" and "new face" in federal politics, and has made no known public statements regarding her views of [constitutional bankruptcy uniformity](#) as applied to collegiate debt (something we would expect conservatives to support, as the U.S. Constitution's Bankruptcy Uniformity Clause, Art.I, Sec.8, cl.4, is quite unambiguous and clear here), nonetheless, her staff has been kind enough to confirm receipt of legislative requests of her constituent, Plant City, Florida resident, Gordon W. Watts, editor/publisher of this online blog. Additionally, while Lee's [VoteSmart profile](#) ([LINK](#) ; [Archive Today](#) ; [Wayback](#) ;
