After 9/11, I was recalled to active duty in the Navy and said goodbye to my family and community. I know the sacrifices many brave men and women make to protect this nation and that is why I am volunteering again to serve. We are facing a crisis in our communities and we need leaders who will defend our law enforcement officers and help our neighborhoods recover from this pandemic.

Initial component of complaint to Congressman **Ross Spano** complaining about defraudments committed due to his refusal to keep his promise to support pro-life GOP candidate, Scott Franklin:

The undersigned, Robert J. More (RJM) comes now to complain to Congressman Ross Spano for failing to keep his word to publicly support and endorse the eventual GOP Primary Election winner, as documented in this video at the following URL links:

URLS: <https://Vimeo.com/445888418>

See the last 3:15 of the shorter facebook video, from stamps 22:50 to 23:15 for above urls

Spano has never made good on this promise that RJM knows of and has left the congressional seat unprotected from procurement by the pro-abortion Democrat candidate, whomever that may be. Spano has also previously refused to act to enact various Trump agenda (see URL: <https://www.forbes.com/.../trump-proposes-limits-on.../>) and now seeks, by his negligence, to prevent new GOP candidate, Franklin, from doing the same. This constitutes a second defraudment of his office. FTR, RJM is not totally familiar with GOP candidate, Scott Franklin, but finds Spano's actions (inactions) deplorable because the Democrat candidate is much more dangerous in many of his policies than candidate, Franklin.

RJM supports the claims that neighbor, **Gordon Wayne Watts** (GWW) has told him privately, namely that Mr. Spano has broken his vows before God and must confess his sins and keep his vows in this regard. The sins that Spano has committed privately will be displayed publicly unless or until he ceases this sinful behavior by public confession and a ceasing of this sin. RJM now posts this public demand to Spano to, before election day, when it can "make a difference", endorse publicly, as he promised, Mr. Franklin, so that the deaths of any unborn children whose lives might be lost might due to Spano's negligence in protecting the congressional seat not be laid to the hand of Mr. Spano. RJM herein also demands that Spano support the agenda of Trump, so long as it is not sinful.

Tbc, composed extemporaneously in an imperfect dictation app.

**Robert More**, I had hoped to keep this indiscretion private, but will confirm that I privately and confidentially told this to you.

As his sins here, his refusal to keep a vow before God, will eventual become public anyhow, it is better sooner than later. Moreover, while your post is unpopular, you are commenting as a constituent, and if he or his staff delete your post, I will post screenshots and protest censorship, as tax dollars are used. (His personal social media he can censor, but this is public.)

On a personal note, Ross is not just my Congressman, but he and his wife, Aime, are my friends, and I am sad for any grief that **Ross Spano** has encountered here, but as I told you and others: He gave his word, a vow before God, to support the eventual GOP primary winner, and so did Franklin.

For the record, I messaged, phoned, and emailed Ross privately about this, so as to avoid embarrassing him unnecessarily, but sin must be confronted publicly if not addressed.

I have no motives to insult my friend, so my confirmation here is with pure motives: Ross sinned before God and man when he purposely chose not to endorse Franklin, and this hurts our pro-life cause and hurts the GOP. I had hoped the rumours were not true that I heard, but as time passed, it become clear: Ross had made up his mind to break his vows, and I can only guess why, perhaps soreness and anger over Franklin's view on the campaign finance controversy.

■■■ But -- Ross -- you gave your word to endorse Mr. Franklin, and please do so while your obedience to God can make a difference before election day, this Tuesday.

We continue to pray for you, but YOU have a part to play, now play it.

Gordon Wayne Watts in Plant City, Florida, one of your constituents, your friend, and brother in Christ Jesus.///

Update on our financial crisis: I told Rep. **Ross Spano** the following which you need to not ignore if you care to avoid another Economic Collapse:

To Spano, I said: : "If you want to afford real business relief, Rep. Ross Spano, remember you heard it here first: "I told you so" regarding my claims that inaction here could crash the dollar-- but you didn't listen. You should get my taxpayer dollars OUT of higher Education ponzi scam schemes. PROOF: <https://www.wsj.com/.../u-s-student-loan-program-now-runs...>

**Gordon Wayne Watts**

To clarify: Remember all my "crazy" predictions that lawmakers would crash the dollar if they (you) didn't STOP using our precious taxpayer dollars to make/back collegiate loans? (In my various LAKELAND LEDGER columns, e-mails to you, and misc. social media blogging.)

Well, you can count me as a prophet who can now say "I told you so."

Please note: My ominously dark predictions of a hemorrhaging bleedout loss in Higher Ed lending was confirmed as true/correct by the legendary WALL STREET JOURNAL over 1½ years ago, so while this was "bad," even **\*\*before\*\*** the Covid-19 economic crisis, it is even more grave now. PROOF:

"U.S. Student-Loan Program Now Runs Deficit, CBO Estimates: Cost to taxpayers could reach billions of dollars over a decade, according to a recent estimate," by By Josh Mitchell, The Wall Street Journal, Tue., 07 May 2019, 5:32 pm (EST), LINK: <https://www.WSJ.com/.../u-s-student-loan-program-now-runs...>  
 Archive-1: <https://Archive.vn/CVvDP>  
 Archive-2: <https://Web.Archive.org/.../u-s-student-loan-program-now...>

Maybe lawmakers should take my admonitions and concerns seriously if they don't want all of our neighbours, children, grandchildren, and great-grandchildren to curse our name for failing to fight against the new "debt slavery," in Higher Education which crashes the dollar (taxpayers) and gives our children only TWO (2) CHOICES:

(#1.) Be uneducated in our new world -- with requisite lack of education, skills, & economic insecurity-- which threatens our National Security with an undereducated, over-indebted populace.

(#2.) Force our children to endure obscenely excessive and illegal price-gouging and be in debt for three-and-a-half (3½) lifetimes, as new data shows that 80% to 90% will NEVER pay down their loans, even if they pay 2 or 3 times the principle, while still seeing their principle balance owed KEEP CONTINUING TO GO UP!!..

Please know that I have done (and AM doing) my best to avert an economic crisis that benefits NO ONE (except a few over-paid Liberal Swamp creatures in American Higher Education).

G.W.

Congratulations, Scott! This WFLA story is old (Nov 3, 2020), but relevant. Thx 4 sharing. HOWEVER, I think you missed the "biggest" news for this election season-- can you guess it? You're smart.

ICYMI, our GOP legislative delegation in the House of Representatives not only didn't achieve a 435-0 sweep under a very popular incumbent President, BUT (and most-relevant to YOU and our District 15), our GOP Republicans did NOT even achieve a SIMPLE MAJORITY -- losing to Pelosi /Democrats TWO ELECTIONS IN A ROW!!

Do NOT brag about our GOP lawmakers picking up a few House seats... Rather, say this:

"WE LOST twice in a row, and must look into the mirror-- look inward."

I've identified FIVE (5) preventable (stupid) mistakes made from careless, greed, and/or pride-- and I e-mailed the campaign staff of Senators Kelly Loeffler and David Purdue (R-GA), you give them a heads up -- and help our stable of GOP Horses win their run-off races.

I'm fatigue from typing on this cheap smartphone, but will forward my email to you if you like, to help you avoid potholes. Lookit, you're a talented public servant-- but you made many of the same mistakes that cost us The House the past 2 elections, and your win was as much "luck" as it was "skill," and you will find yourself encountering the same fate as the majority of our GOP lawmakers if you don't alter course. The law of sowing and reaping is the eternal karma of the Universe, and no one beats the odds, so I hope you've had a chance to read the research I've taken my valuable time to send you.

Florida has proven this election to be a model for other states, and I'm confident in the process we have in place here in the Sunshine State. But I'm concerned about reports of voter fraud from across the nation. President Trump has the right and the responsibility to ensure that all eligible votes cast were counted properly and that any ballots that are ineligible or were received after the deadline are dismissed. There's a lot at stake in this election, and Americans deser... **See More**

Subject: Legislative feedback on 5 key issues///

To: Scott Franklin, Congressman-elect (R-FL-15)

Cc: Federal lawmakers, and friends///

Cc: Cross-posted here as well as e-mailed.

Scott, while the GOP picked up about 4-5 seats in the House (your election was a "GOP hold" and neither gained nor lost the GOP any seats), nonetheless, I think that we, GOP, have missed something. VERY BIG:

Every election cycle has ALL 435 HOUSE SEATS come up for reelection. So, question:

Why didn't the GOP make a 435-0 sweep this past Election Day 2020?

In fact, why we didn't even get a MAJORITY!! (Boldface, not yelling, but I FEEL like yelling?)

Three reasons:

(#1.) Now, a small part of GOP losses in the last election may be due to Election Fraud by Democrats (like the Chicago machine politics), but let's be real: I'm not a paranoid conspiracy theorist, and must admit that this is largely NOT a factor in our GOP losses in the House races. (But, there is emerging evidence that some fraud occurred in the Presidential Election-- cheating Trump-- Jury's still out here.)

(#2.) The County's going Liberal as our JudeoChristian Bible predicts will happen in End Times, you know, greater support of abortion, slippery slope morals descent, etc. But, really, can that explain the recent House races giving us a Democrat-led House TWO elections in a row, and handing the gavel to Speaker Pelosi?

Oh, really?.. NOT.

(#3.) So, we GOP must look inward and look into the mirror.

Perhaps all those "radical" posts and verbose/lengthy emails from "crazy Gordon" weren't so crazy after all, and maybe bear further review, to see if we missed something.

I'm not accusing YOU of calling me crazy, but let's be honest: My repeated calls for bankruptcy equality bill H.R.2648 and medical marijuana (VERY popular ideas for ALL voters, especially liberals and Democrats-- or am I being redundant?), and support for Trump's requests for pork spending cuts (the student loan limits bill request, remember?, something that Conservative Americans demand from RINO Liberal GOP lawmakers), maybe these 3 ideas would've persuaded voters to vote for GOP candidates instead of returning Pelosi to captain the helm.

Notice I said Student loan bankruptcy, H.R.2648 and S.1414, bills supported by Matt Gaetz, John Katko, and MYSELF-- all 3 very Conservative Republicans, and NOT a free handout, 2 different things, but this bill that Gaetz and I vocally support is a means to fix current Bankruptcy code, which violates the U.S. CONSTITUTION'S Uniformity clause.

Does the U.S. Constitution not matter any more? You got lucky, IMHO, and won your seat without support for any of these 3 key issues above, but, on balance, candidates that don't support these LOSE ELECTIONS, as both polls suggest and election results

prove.

I would add a 4th and 5th item to my Legislative wish list:

Trump's recent Executive Orders seeking to protect the power/ telecommunications grid and his EO seeking to eliminate the insurance middleman in Healthcare were AND ARE continuing to be ignored by both incumbant lawmakers and you, yourself.

You can't be held responsible for other GOP lawmakers, but I do hope to hear from you on these five (5) issues. And, its ok to say "I don't know," or change your mind. What's NOT ok is for you to do like other GOP lawmakers who shall remain unnamed: And who suck down HUGE paychecks on our taxpayer dollars, and sit on their butt doing almost nothing, except go along to get along bare minimum. And, those baby-murderering abortion supporting Democrat lawmakers are -- with all due respect to them -- even worse. Please don't be them (referring to both GOP RINO'S and liberal Democrats).

Thank you, Scott, for your review and cooperation.

Your "constituent-elect,"
