I support H.R.2366 - Discharge Student Loans in Bankruptcy Act of 2017. We need to act to protect the rights of the thousands of students that have fallen in the Student Loan Trap. We need to make education affordable not free!

I support the H.R.3654 - Chiropractic Medicare Coverage Modernization Act of 2019. It is time that Chiropractic Services are covered by Medicare. [#urbina2022](#) [#Medicare](#) [#chiropractor](#)

I agree: Chiropractors always make me feel better and are an important compliment to medical doctors.
