<b>School Board Member District 1</b> (Vote for 1)	<p>Allows medical use of marijuana for individuals with debilitating medical conditions as determined by a licensed Florida physician. Allows caregivers to assist patients' medical use of marijuana. The Department of Health shall register and regulate centers that produce and distribute marijuana for medical purposes and shall issue identification cards to patients and caregivers. Applies only to Florida law. Does not immunize violations of federal law or any non-medical use, possession or production of marijuana.</p> <p>Increased costs from this amendment to state and local governments cannot be determined. There will be additional regulatory costs and enforcement activities associated with the production, sale, use and possession of medical marijuana. Fees may offset some of the regulatory costs. Sales tax will likely apply to most purchases, resulting in a substantial increase in state and local government revenues that cannot be determined precisely. The impact on property tax revenues cannot be determined.</p>	<p>Proposing an amendment to the State Constitution to revise the homestead tax exemption that may be granted by counties or municipalities for property with just value less than \$250,000 owned by certain senior, low-income, long-term residents to specify that just value is determined in the first tax year the owner applies and is eligible for the exemption. Permite a los cuidadores asistir a los pacientes en el uso médico de la marihuana. El Departamento de Salud debe certificar y regular los centros que producen y distribuyen la marihuana y debe expedir documentos de identificación para los pacientes y cuidadores. Se aplica únicamente para la ley de Florida. No invalida las violaciones de la ley federal o cualquier uso no medicinal, posesión o producción de marihuana.</p> <p>No puede determinarse el aumento de los costos para el gobierno estatal y el gobierno local debido a esta enmienda. Habrá costos adicionales de regulación y por las actividades de implementación asociadas con la producción, venta, uso y posesión de la marihuana medicinal. Los aranceles podrían compensar algunos de los costos regulatorios. Los impuestos sobre las ventas probablemente se apliquen a la mayoría de las compras, lo que daría como resultado un aumento sustancial pero difícil de precisar de los ingresos del gobierno estatal y local.
