SUBJECT: My letters to the editor and columns about you & the candidates you endorsed

Donald J. Trump for President -- Campaign
 13750 Arlington, VA 22219
 Cc: As indicated ; please reference cc line

Tuesday, 25 June 2024

Dear President Trump and campaign staff:

My apologies for not giving you a timely heads-up sooner, but this is as fast as I can write:

I submitted three (3) letters to the editor to huge central Florida online and print papers (see attached), calling out Mr. Trump for not only flip-flopping, but also "flopping" to support/endorse a well-known and well-documented liberal tax/spend RINO, my member of Congress, Laurel Lee, R-FL-15. A lot of angry hornets in Dist.15, I assure you.

Before I go any further, probably I should introduce myself: I'm probably the most heavy-weight Conservative in the country on all metrics: As your legal team can easily document, I'm the guy who almost won the 3rd largest pro-life case since **Roe**, doing better even than former Gov. Jeb Bush before the same court panel (I'm pro-life), and an accomplished columnist (see attached, **((**))** or links below), and, like Mr. Trump, I'm also a highly regarded author. Currently, I'm. Natl Dir of CONTRACT WITH AMERICA: PART II[®]™, Registered Trademark, finishing what Gingrich didn't:

Now, I almost won the *Schiavo* case all by myself, as you have now discovered, but if you haven't heard of me, but Liberal Paparazzi seems to not want to give press to genuine Conservatives who DO oppose Liberal tax/spend nonsense.

Ok, I'll cut right to the chase: I know you're a busy man... here's the purpose of my (hopefully) brief communication:

1.) I shall "aim high" and tho it seems impossible to convince you that you've really screwed up, I think I'll do just that, because you did. Maybe you and Lee will "change course" and avoid losing face. *I hope so, but time will tell.*

2.) While I trust your staff will read my email and ask you to consider my views, I'm preparing for the worst and having backup plans in place.

3.) I know my audience here: You are better off if you DON'T support RINOS, like Laurel Lee. (See the cc line: Since our reporting has documented that most lawmakers in both parties are documented liars because they refuse to support their own party platform on key issues((****LINK**)), I shall be fair and include your opponent a cc.

4.) Given that it's well-documented that I'm probably the most Conservative American alive at the moment (on several key metrics, be it pro-life, anti-Tax/Spend, or whatever), my bargains chip here is what type of endorsement I might give *either you and Liberal Congresswoman Laurel Lee or her 2 GOP primary opponents in Fla-15, Jennifer Barbosa (a brilliant paralegal who bravely ran against 'Shifty' Adam Shiff) or James Judge (a U.S. Coast Guard veteran who served in both Iraq and Afghanistan).*

5.) I'm very angry, very smart, and am connected to many angry victims on both sides of the political spectrum (other Conservatives who are very angry at you for failure to keep your word to reduce student loan limits and cut said spending, as well as Liberals who see you get huge tax breaks on our tax\$\$ and then successfully file for bankruptcy discharge, sometimes close to a Billion dollars, and yet decline to advocate for student borrowers to have these same rights).

I'm very angry, *and many agree with me* ((<https://ContractWithAmerica2.com/#polls> See also

, and this hurts elders (who keep paying on student loans until they are dead), Black Americans (who have twice the student debt & 3× the default rate as White Americans), and this even hurts patients: A well-documented shortage of doctors and nurses puts lives in danger, and why? Americans cannot afford college, so we can't produce doctors, nurses, teachers, engineers, etc. Emergency Rooms are -- therefore -- short staffed:

Strictly-speaking, students have actually more than repaid taxpayers and this even at illegally inflated levels of tuition. However -- like you -- I don't support cancellation: Both sides know this isn't a long-term solution, and it would only free some debt slaves without abolishing debt slavery:

<https://ContractWithAmerica2.com/#PaidInFull>

Mr. Trump, you had a GOP House, a GOP Senate, and YOU claimed to be a Conservative, yet you didn't keep your word here, when you had a chance, to cut these student loan originations -- as FORBES even quotes you -- and as I reference repeatedly in my letters to the editor to THE TIMES and THE LEDGERm for starters!!

You didn't do like former Pres. Obama: Whatever you think of "*ObamaCare*," the ACA, he rammed it through Congress when Democrats held a majority in both houses. You -- by contrast -- did NOT keep your word, Mr. President, as I document in my 3 attached letters to the editor, and I am very mad!!

However, Mr. Trump, I am a Conservative Christian FIRST, and THEN an "Angry Hornet" Republican, and will try to show you genuine Christian love, as Jesus asks us to follow His example (John 13:15, 1 Peter 2:21, Hebrews 2:14-18, showing He's not just Saviour, but also the ONLY perfect role model and example).

While I can't necessarily promise a total and complete endorsement of you and Rep. Laurel Lee, R-FL-15, my Member of Congress, I will give you... fair consideration, if you and Mrs. Lee do the following three (3) things:

1) First, both of you should *probably* publicly apologize for failing to even TRY to cut pork, and then, she should file a bill to cut the largest discretionary pork spending in the budget, student loan originations (which were never needed, and not used at all until recently due to Swamp Higher Education lobbyists), and also Rep. Massey's HR899 to eliminate the Dept. of Education.

2) Wait, you couldn't even get this done when you had a GOP House, GOP Senate, and you were a GOP president in your first 2 years, so why not? Either [[a]] you're a Liberal RINO, and still a closet Democrat, or [[b]] you're trying, but need help. If [[a]], please consider dropping out and backing Robert F. Kennedy, Jr. But, if you want my vote, try this strategy: Ask Congresswoman Lee (R-FL-15), Higher Ed/Workforce Chairwoman, Dr. Virginia Foxx (R-NC-05), Sen. Chuck Schumer (D-NY) and other lawmakers to file AND PASS student loan bankruptcy legislation (many good bipartisan bills exist), and this will [[C]] force down irresponsibly excess lending by Liberal Swamp Dept. of Education, saving trillions, but -- most importantly -- [[D]] force Swamp Higher Education lobbyists to BACK OFF lawn when they see the handwriting on the wall, thereby making originations spending cuts (maybe DOE elimination?) "politically viable."

Translation: You must do #2, above FIRST if you want to have any hope of doing #1. (If you disagree, please explain why you didn't do this IN YOUR FIRST TERM? Probably because ytu lacked bankruptcy as a Conservative Free Market "check" on lending excesses ...and lobbyist activities.)

3) Then, probably use your "Bully Pulpit" to direct the lawmakers to "direct fund" college (like we do with Public Education), and put colleges on a "strict diet," thus saving trillions, and the extra monies saved could be used to fund a strong Southern Border wall, and make needed upgrades to our fragile power and telecommunications grid.

If you don't do this (get your RINOS in line and back to Conservative values, ok?), then I will plow full steam ahead and stop at nothing to ensure voters know you and President Biden are tax/spend Liberals, and ensure a best effort to Primary Congresswoman Lee. And she's not even the worst: Congressman Scott Franklin, R-FL-18, who was my member of Congress before redistricting not only refused to attempt such cuts to Liberal pork spending, but is very disrespect to student borrowers, blaming them instead of "manning up," and cutting the spending himself.

Students have actually more than repaid taxpayers, and this even at illegally inflated levels of tuition inflation, and taxpayers have made BILLIONS in profits off students, but this will NOT keep up if we don't end the "Epic Fail" student lending system: If you don't do as I say (and get help from RINOS and DEMOCRATS... or am I being redundant?), ... we WILL hemorrhage and bleed-out, and crash the dollar, collapse our economy, and devolve and descend into Civil Chaos... because of you. And do-nothing lawmakers.

You can ignore me if you like, but only 2 things "under heaven" will force down lending excesses in lending: Either a VERY unlikely miracle... or the reinstatement, return, and restoration of Constitutionally-protected bankruptcy uniformity (Art.I Sec.8 Cl.4, US CONSTITUTION'S BANKRUPTCY UNIFORMITY CLAUSE), and which is also required by the golden rule of SEVERAL religions [JUDAISM: Leviticus 19:18b, Leviticus 19:34, The Golden Rule, OLD TESTAMENT (PENTATEUCH) ; CHRISTIANITY: Matthew 22:39b, Mark 12:31b, Luke 6:31, Matthew 7:12, The Golden Rule, NEW TESTAMENT (HOLY BIBLE) ; ISLAM: Surah 24:22 An-Nur, The Light, on treatment; Surah 2:275 Al-Baqarah, The Cow, on prohibitions of usurious interest; See also: Surah 3:130, The Family of Imran; Surah 4:161, The Women; Surah 30:39 al-Rum aka The Romans (THE NOBLE QUR'AN)].

Not only would you be violating the US CONSTITUTION, and getting "sideways with God Almighty," if you decide to be a "bankruptcy self-defense for me, but not for thee oh poor student" hypocrite, Mr. Trump, and nor only might this alienate Liberal and Independent voters you need, but -- most important, I think -- this would potentially angry Conservative voters like me when you refuse to keep your word to cut this spending that you had a chance to do in your 1st two years, when the GOP enjoyed control of both Houses and the Oval Office.

The attachments are as follows -- totaling ten:

** Three (3) submitted letters to the editor taking you to task, Mr. Trump

** Three (3) of my past, published columns, giving you an idea of where voters stand (I'm not alone in my complaints)

** A single (1) copy of **Two versions** of the loan limits bill that needs to be filed (there is no bill number, so I include this to help Legislative staff) -- one total, and one partial.

** Three (3) "bonus" attachments:

A) my Facebook wall post VERY ELOQUENTLY defends you regarding the illegal double standard you endure in your NY "Hush Money" trial: For all my differences with you, and my angry disappointment, still I document how you were denied Due Process and Equal Protection when others did the same as you and faced no charges. (Maybe forward this to your legal team?).

B) My published scientific paper on Solar Flares might be helpful if you aren't ok with power, 911, GPS, internet, etc. being vulnerable to solar flares and other phenomena.

C) Our original press inquiry to District FL-15 candidates is long, but may prove helpful in its unabridged resources if you choose to research the EPIC FAIL AMERICAN HIGHER EDUCATION LENDING SYSTEM... I'd print out these attachments, but that is just my opinion.

What ISN'T opinion is how angry voters are with failing RINO losers who skate by on name recognition alone and refuse to even attempt the spending cuts. If you want to look normal after my letters publish, if they do, and have an answer, I'm giving you the 1-2-3 formula above.

I wish you the best, but I can not make your decision for you.

It's your move.

With kind regards, I am, Sincerely,

"First, they [Nazis] came for the Jews. I was silent. I was not a Jew. Then they came for the Communists. I was silent. I was not a Communist. Then they came for the trade unionists. I was silent. I was not a trade unionist. Then they came for me. There was no one left to speak for me." (Martin Niemöller, given credit for a quotation in *The Harper Religious and Inspirational Quotation Companion*, ed. Margaret Pepper (New York: Harper & Row, 1989), 429 -as cited on page 44, note 17, of *Religious Cleansing in the American Republic*, by Keith A. Fornier, Copyright 1993, by Liberty, Life, and Family Publications.

Some versions have Mr. Niemöller saying: "Then they came for the Catholics, and I didn't speak up, because I was a Protestant"; other versions have him saying that they came for Socialists, Industrialists, schools, the press, and/or the Church; however, it's certain he DID say SOMETHING like this. Actually, they may not have come for the Jews first, as it's more likely they came for the prisoners, mentally handicapped, & other so-called "inferiors" first -as historians tell us -so they could get "practiced up"; however, they did come for them -due to the silence of their neighbors -and due in part to their own silence. So: "Speak up now or forever hold your peace!"-GWW
