Short, 1-question press inquiry (Time-Sensitive)

1. I support reinstating bankruptcy for student debt.
 2. James Judge's claim that he needed to act as a 3rd party in order to save money is bogus. So is his claim that the campaign needed to pay both "James Judge" and "Danielle Judge" \$3300. As intelligent as you are, Gordon, you may not have run a small business for many years, yet. As you do, if you make sound financial decisions. you will do your best to cut out middlemen or "3rd parties."
 3rd parties don't save you money. They cost you money.
 Look at his receipts.
 He claims he paid \$3000 for Koozies and that this was a special deal which could only happen if he ran it through his PR firm. No it isn't. That's a horrible deal and an affront to the "fiscal conservatism" he claims to support.
 We need Congresspeople who care about how they spend money since they control the nation's purse strings.
 Koozies are 1 penny each on Amazon.
 At \$3000, that's 300,000 koozies.
 What is he doing with 300,000 koozies?
 We don't even have 300,000 Republicans in 2 Congressional districts combined.
 Is he the Mike Lindell of koozies?
 No, his PR firm overcharged his campaign for koozies so he could make a profit.

((1)) Your answer to The Tampa Bay Times was excellent about how the actual law says you satisfied the 365 day Oath requirement. ((2)) And your desire to abolish the Dept of Ed is great!

But, we're trying to get our act together regarding endorsements, Jennifer, and notice ((3)) you never answered the bankruptcy uniformity question. And, while I agree James Judge MIGHT be guilty of misappropriation of donations, it's also as likely his agency did use \$\$ for flyers, mailers, merch, websites, and got a better than average deal, so ((4)) I'm confused on how I might endorse your view.

Judy Wise, past president of the Republican Women's Club Federated, where you're scheduled to speak tomorrow, is among NUMEROUS Conservative Republicans who support bankruptcy and reinstatement, as we document below, and if I ask that question, I don't want to catch you off guard. But the US CONSTITUTION'S BANKRUPTCY UNIFORMITY CLAUSE Art.I Sec.8 Cl.4 and the needed free market force to REDUCE OR ELIMINATE liberal pork student loan originations spending via lending to avert a crash of the dollar is more important than my view or Judy's endorsement, which I mention in case it's helpful for you should you support this needed legislation.

((12)) Judy Wise, President, Plant City (Fla.) Republican Women Federated, supports student loan bankruptcy bill, S.2598 - FRESH START Through Bankruptcy Act, 117th Congress (2021-2022).

The attached Word Doc draft is updated to include other Conservatives who support this legislation. The PDF is the older, published, version.

Your great answers ((#1.)) the 365 day Oath requirement and ((#2.)) abolishing Dept of Ed are logged and noted, but we're confused on ((#3.)) your misappropriation claims and ((#4.)) the critical bankruptcy self-defense restoration legislation. And hope to get responses in a timely fashion to do good news on you, and hope THESE tips will help you perform well in your upcoming events.

Jennifer-- I haven't heard back, however there are a few unresolved issues you might want to address:

1) First and foremost, while it doesn't take a psychic or a prophet to predict this, I am a genuine Christian and very tuned in to The Spirit of God and hear/see things: **There is a practically one-hundred (100%) chance you will face a legal challenge of some sort regarding the Candidate Oath controversy about your oath / affidavit / statement.** And, in the intervening time since our last communication, I took the liberty to make a public records aka media request of the LA RECORDER office where you were a voter and ran against "Shifty" Adam Schiff: see below for copy/paste of reply and attached copy of email response. (Shiff isn't working on any long-term fixes for our economic problems, as I can see. Neither is your primary opponent, Laurel Lee. Two peas in a pod.)

- 06/2001 to 09/2003: Green Party
- 09/2003 to 06/2013: Declined to State
- 06/2013 to 09/2015: No Party Preference (NPP)
- 09/2015 to 01/2017: Republican Party
- 01/2017 to 03/2024: No Party Preference (NPP)
- 03/2024: Republican Party

While it would be tempting to write a "hit piece" on you, nonetheless, Jen, I'm a genuine Conservative Christian First, and then an excellent investigate  reporter, and want to be fair regarding your situation. Also, while I'm not a lawyer, I'm one of the world's top legal minds and feel it's the Christian thing that I share my assessment (caveat, not legal advice, as I'm not a lawyer, but I will exercise 1st Amendment rights here). Since you were a registered voter for more than a year of elapsed time before you filed to run for office, (9/2015 to 01/2017 and again 03/2024 to 06/2024 = Republican Party registration for 3+12+3 months or 18 months), you seem to qualify, but some might interpret this to mean the year ****immediately before**** you filed. Remember, if defending yourself here to use a literal "plain English" interpretation, which courts generally recognize as the ***legal*** meaning. Also, it looks like you were registered in 2 jurisdictions at once, but you canceled immediately, so they "de minimus" standards should protect you here. Lastly, I would argue that making Party Oath standards too difficult would place unfair and unconstitutional barriers to your ability to Exercise First Amendment Redress by running for office.

2) You didn't address the student debt bankruptcy legislation, and I admit it tripped me up initially as I saw it as a liberal free handout. But, Jennifer, every time I hear liberal RINOS like Dr. Virginia Foxx, R-NC-05, complaining about students getting bankruptcy self-defense but **THEY WANT TO HAVE THIS AVAILABLE TO THEM** and their rich donor who might want to get taxpayers funded tax breaks, taxpayer funded grants, and then file for bankruptcy

if they get in too deep debt..., it reminds me of Nancy Pelosi and her Liberal ilk complaining about commoners having 2nd Amendment rights of self-defense, but THEY WANT TO HAVE THIS AVAILABLE TO THEM and their well-armed private security team!!

Hypocritical fakes who disobeying Sovereign King Jesus'es golden rule are Angering God Almighty.

Besides, as I have conveyed previously, only 2 things will prevent Dept of Ed lending excesses... on my taxpayer dollars: either an UNLIKELY miracle or return of bankruptcy defense as an Economic 2nd Amendment and Conservative Free Market check on profligate spending by the US DEPT of Education for student loan originations!!

Lastly, you may lose votes if you say gamblers and unsecured credit cards are afforded this standard consumer protection, and even colleges themselves, but not student borrowers!!

3) Lastly, you and I and James Judge might seek others to oppose Laurel Lee, which is now harder after Trump flip flopped and endorsed this RINO. WE ARE MORE POWERFUL AND OUTNUMBER THRM... but only if we work together. Was my emailed endorsement helpful?

I would also tell voters that Democrat Candidate, Pat Kemp, has good ideas about using solar power to be self-sufficient if the power and telecommunications grid goes down, and that Lee is out of touch here, but that you would be better than both:

Ah, you responded to my email again so fast that my text (copy and pasted below) is outdated. Well, somewhat. I'll update it...

**** Begin copy/paste in black, and I'll update my questions in bold faced blue font:**

In just a moment, I think I'll call you, a heads-up here, to address these topics: (1) thank you for your prompt email response, and connect a name and voice, even if not face (phone call), (2) ask if you made a typo on your Facebook, which lists a different suite number than your website or other filings,

**** UPDATE, Please disregard-- I see you answered me below and seeing to correcting the typo. Good job.**

(3) ask for clarification on whether you support Art.I Sec.8 Cl.4 of the US CONSTITUTION'S BANKRUPTCY UNIFORMITY CLAUSE, a special case of Equal Protection, which makes no exceptions for student debt,

**** You haven't addressed this question, but I admit it was tough for me at first, when I thought it was something that might cost taxpayer. Initially, it may, but long-term, this would force down irresponsibly excess lending by Liberal Swamp Dept of Ed, and save trillions. Plus, it might get you a few votes from defenseless borrowers. Helping you win SEAT FL-15 here.**

(4) while not required, all FI-15 candidates except you and Democrat, Pat Kemp, have published state on their religion and faith. While we accept all beliefs, still, this helps voters see a full picture, plus, if you accept either Moses or Jesus's golden rule standards (they say same thing), it's one MORE way to shoe fake Christian RINO Laurel Lee is disobeying the Golden rule of HER religion.

**** UPDATE-- your grammar implies you're also a fellow-Christian, thank you for clarification here, but 3 things: (a) I think you should speak publicly and be polite to others but firm in not being ashamed of Jesus. (b) he's Saviour, but also the only perfect role model and example for us, John 13:15, I Peter 2:21, Hebrews 2:14-18, who lived a perfect life and beat death on his own merit. Not even Moses did this. (c) The claims of Laurel Lee of being a Christian are in question as I discuss before, since the golden rule of Sovereign King Jesus is the Highest Law of the Land for us. Word. Use that data you can.**

(5) What documents can you provide to clarify your precise Republican registration status in the last year? Thx. Gordon///

**** Still unresolved. I'll help as able, but in defending you if/when innocent, in The Court of Public Opinion, where I sit in Appellate Authority, here are still reasonable questions that others will ask, so I'll ask first and get you prepared for the critical questions of later, from unfriendly press :**

- Is it true that you recently registered as a Republican on March 5, 2024?

- what were you registered as on March 4, 2024?

- How do you meet the 365 day threshold requirement that says the last day to change your voter registration prior to qualification was April, 2023?

- When did you move to Florida?

- Why did you register to vote in California on March 5, 2024 if you allegedly lived in Florida at the same time?

Hard, but fair questions.

Yes, Gordon, it's nice to see more conservatives getting on board with abolishing the Department of Education, something I have been in favor of doing for years.

It's also nice to meet another sincere Christian. There are so many good, honest Christians in our district. We are blessed. Unfortunately in politics, there are also candidates who pose as pious Christians while bearing false witness, engaging in adultery, stealing campaign donations by funneling them into their personal bank accounts, and working feverishly to cover up the drunk driving and domestic violence incidents on their public records.

I don't pay candidates like that much mind because voters deserve better and we have a very positive and productive campaign.

Thank you for the notification about the typo. It has been corrected.

I know what I've heard, read, and seen, but I am a Christian FIRST, and then a politically motivated Conservative, and thus have my emotions in check, and admit I don't know what your status was during that time, meaning you might be right. But this must be addressed, so there's that.

I did just now, text you-- but I had not seen your email, so my apologies if my text "crossed paths" here as it was sent before I checked my email. However, you may have made a small, but key typo on your Facebook (which lists SUITE 109, notv119, as listed elsewhere, see screenshots attached), so here again is my text which was a "mass text," that included both my direct cell numbers, plus yours, which is why there were 3, not 2, listed. [["" Jen, this is Gordon Wayne Watts, the Conservative journalist who sent you a press inquiry yesterday. I wanted to let you know that your Facebook lists "Suite 109," while your campaign page (and handwriting letter to Div of Elections) lists Suite "119," in case you made a typo on your Facebook. Secondly, my undercover investigative reporting finds allegations you were not a Registered Republican for at least 365 Days as your Candidate Oath Affidavit says, and wish to timely bring this to your attention in case you wish to address these rumours. Lastly, I realise you don't know me, and to assure & reassure you I'm far-right genuine Conservative Press, please ask Google what role I, Gordon Wayne Watts, had in the Terri Schiavo case, the 3rd largest pro-life case since Roe, which I almost won all by myself: I'm against liberal tax/spend and Conservative on all fronts and would be glad to meet you up town in my home town of Plant City to interview you, if you like, or phone and/or email also work, but it's good to connect a name and face and voice. I hope this helps. Let me know what works for you. You may also Google my phone number here (as you see on both my business card attached and in your caller ID). I'm not perfect, but I am smart and Conservative and act with good intent in my deep investigative reporting here. --Gordon Wayne Watts in Plant City, FL// ""]]

I'm ok with a tax on our greedy colleges, but -- in my humble opinion, Jen -- if we directly fund Higher Education, like we do with Public Ed, and put colleges on a strict diet, it would save taxpayers trillions. I mean, when do we hear of 5th graders having student loans!?. Our grandparents did have this scam. No other countries levy a massive student debt tax (and it is a liberal big tax like Sen Rick Scott's claims, which we quote in our newsreporting), and Public Ed doesn't do it like this. I read one of your opponents wants to end and abolished Dept of Ed, which Liberal RINO Laurel M Lee probably loves, so most of us are conservatives here. Lastly, if Pat Kemp, the lone democrat in the race, keeps her implied promises to obey Democrat platform planks, this would ironically force down liberal pork student loan originations spending, as Dept of Ed would allow up lending to students who can defend in bankruptcy self-defense, and (most importantly) make lobbyists back off Laurel Lee and other lawmakers, thereby making it politically easier to cut pork spending for student loan originations.

As our official REPUBLICAN PARTY PLATFORM clearly requires!!

Thank you, again, Jen, for your prompt response here.

Gordon,

The answer to your question about my eligibility is very straightforward.

I have exceeded all the qualifications to be on the ballot, including being a registered Republican for well over 365 days.

Everybody in this race acknowledges this, but they do sometimes pretend not to, in an effort to distract from their scandals.

I won't sling mud about each player, but will point out that the blogpost you cited with the headline "Candidate Committed Fraud," is written by a gentleman who has an active arrest warrant for his involvement in a fraud scheme. He admittedly takes money from Florida House candidates in exchange for publishing false and defamatory things about other Florida House candidates. This may be a free speech right, but it doesn't make lies true.

Regarding the issue of student debt, my proposal is to tax the school endowments to pay for them. School endowments are currently tax exempt.

Thank you,

Subject: Short, 1-question press inquiry (Time-Sensitive)

Date: Tuesday, 11 June 2024 ; 09:16 P.M. (EST) ///

Jen Barbosa, Republican (656)208-1282, <http://www.JenniferBarbosaForCongress.com>

James Judge, Republican (715)338-8544, <https://JudgeForCongress.com>

Pat Kemp, Democrat (813)508-0965, (813)508-0965, <https://www.VotePatKempForCongress.com>

Laurel M. Lee, Republican (incumbent lawmaker) (202)225-5626, <https://VoteLaurel.com>

Dear Candidates, if you would not mind, we have a simple, 1-question, press inquiry on the “most important” economic subject facing both Conservatives (who see student debt, at over \$2 Trillion – almost ten percent of total U.S. Debt – as the largest area of discretionary “pork” spending – and a threat to crash the dollar if left unchecked) and Liberals (who rightly call out student debt as the most oppressive debt facing middle-class Americans – especially people of colour). *** Please note that breaking news has realised another performe 'bonus' question for Jen Barbosa regarding the honour-code violation being alleged in recent news reports regarding the Candidate Oath in light of California documentation to the contrary.*

QUESTION: Will you join lawmakers (see attached worksheet for bills) on their bipartisan legislation to restore, return, and reinstate bankruptcy availability to collegiate debt – as it was in our grandparents' time – back when the system had “checks” and “balances” against excessive predatory lending (that threatens taxpayers and students alike – things of concern to both Conservatives and Liberals)?

ANSWER: YES // NO

To all 4 candidates: If YES, then please direct me to the section on your campaign website where you specifically and unequivocally pledge, affirm, and promise to immediately file such legislation.

To the incumbent, Rep. Laurel M. Lee, R-FL-15: If YES, then please – also – direct me to your press release and any legislation which you sponsor and/or cosponsor to this effect.

To the GOP Candidates: If NO, then please explain to our news agency **(***)** why – as documented in the attachments – only 8.14% of all GOP lawmakers comply with our Republican Party's official platform on its prohibitions against taxpayer-funded student loan originations in any way – whatsoever – in attempts to file such legislation (even when the GOP held House, Senate, & Oval Office twice recently – both in Pres. GW Bush's first 2 years and Pres. Trump's first 2 years) ; why the other 91.86% (including you three) aren't **RINO's** (Republicans in Name Only) who are refusing to obey our Platform (“our” implies we are a Conservative independent news agency) ; and lastly, please explain whether or not you agree with our analyses that only two (2) things will force down Dept of Ed lending (and force back higher ed lobbyists) sufficient to allow GOP lawmakers to keep their word and obey our Party Platform, here – which specifically prohibits such “pork” spending using tax dollars to originate (make) student loans to students who will, shortly, be

unable to ever repay, thereby crashing the dollar from over-spending – either [[1]] an unlikely miracle – or [[2]] (we believe) restoration of this needed check, namely reinstatement of bankruptcy availability for student loans.

To the lone Democrat Candidate: If NO, then please explain why – as similarly documented – only 18.1% of all Democrat lawmakers attempt to obey your Democrat Party's Official platform calling for restoration of student loan bankruptcy by filing such bills (even when the Democrats held House, Senate, & Oval Office twice recently – both in Pres. Obama's first 2 years and Pres. Biden's first 2 years) ; and, why the other 81.9% aren't **DINO's** (Democrats in Name Only) who are refusing to obey your Platform on this key plank.

BREAKING -- BONUS QUESTION for Republican Candidate, Jennifer Barbosa: What is your response to multiple news media reports that investigative reporting has uncovered that you have not been a registered Republican for at least 365 days as your candidate Oath alleges, which you filed with the Florida Dept of State, Div. of Elections? **(Essay Question // not "YES//NO")**

Cf news coverage by *The Central Florida Post*, **Contract With America: PART II**, and *THE REGISTER*, with current investigation:

This is a simple “one question” press inquiry – very simple, insofar as it's simply a YES // NO where no further action is needed if the answer is “yes,” but – due to the difficult emotions attached to a matter that has – we admit – even confused our own staff writers at times (who wrongly viewed Constitutional Bankruptcy Uniformity, Art. I, Sec. 8, cl.4, US CONSTITUTION) as something that might harm taxpayers – we suggest candidates might use the resources found below, in the dialogue we had with several other news media, when we were asking for their assistance in news coverage. The “long” reading below is optional, but preferable over being called a RINO (Republican in Name Only) or DINO (Democrat in Name Only), and thus, so be fair to candidates, we offer these resources: ***We are tough, but fair to all sides and wish to make your job responding easy. If you have any questions, we are here for you.***

We await your speedy reply so we may do news and commentary and investigative reporting in a timely fashion, as we have done in the past. 🙏

I was not a trade unionist. Then they came for me. There was no one left to speak for me." Some versions have Mr. Niemöller saying: "Then they came for the Catholics, and I didn't speak up, because I was a Protestant"; other

versions have him saying that they came for Socialists, Industrialists, schools, the press, and/or the Church; however, it's certain he DID say SOMETHING like this. Actually, they may not have come for the Jews first, as it's more likely they came for the prisoners, mentally handicapped, & other so-called "inferiors" first -as historians tell us -so they could get "practiced up"; however, they did come for them -due to the silence of their neighbors -and due in part to their own silence. You are welcome, Jesse.

Do be assured that many fellow Christians, including the Christian Money guy, Jim Paris (a friend of mine) agrees that bankruptcy for student loans is not a free handout, but rather fair:

https://youtube.com/watch?v=2lyUVB_8tWU

Also, I am sure that Senators John Cornyn, R-TX and Josh Hawley, R-Mo, who are sponsors of S.2598, 117th a student loan bankruptcy bill from last session, as well as Representatives Glenn Grothman, R-WI-06 and Ralph Norman, R-SC-05, who are original sponsors of H.R.5899, from the 116th, another student loan bankruptcy bill, are all five (six when including me) Conservative Christians who can be trusted:

<https://www.congress.gov/bill/117th-congress/senate-bill/2598/cosponsors>

And

<https://www.congress.gov/bill/116th-congress/house-bill/5899/cosponsors>

Both bills have more GOP sponsors than Democrat, and thus are not "Liberal."

If Rob West, whom I can finally cc copy, thanks to a sharp Phone Rep today, we're to join me and these others in support of bankruptcy restoration for college debt... (the same Gordon Wayne Watts in Florida who nearly won the 3rd largest pro-life case since Roe, Google Gordon Wayne Watts and Terri Schiavo),..

[4] Key Point-- I'm human, but a Christian, very smart, and have good intentions here, and can be trusted.

...Jim Paris aka Christian Money guy, and these 4 VERY, VERY Conservative Christian lawmakers,... were Rob West to join us, Rob would be in good company, but please note my prophecy and prediction, namely that without bankruptcy self-defense restoration as a Conservative Free Market check, Jesse, there won't be a check/balance on spendthrift DEPT OF EDUCATION, and they'll keep lending to defenseless students, and collapse our economy as student debt is the largest discretionary debt out there. (Think of bankruptcy defense as an Economic 2nd Amendment, meaning crime goes down when victims are armed, not up).

Anyhow, I hope this helps. But please, this is our last chance before the dollar collapses due to irresponsibly excess spending, so we have "one more chance." Please make the best of it.

Bro. West-- I was on hold for about two (2) hours trying to ask you a question when you came on Kurt and Kate's morning program, with Bro Marc Durkin producing this morning. (I accidentally called in to the 7-8 program at 7:03am and was on hold until I finally found out when your segment was on. Then, I called in promptly at 8:02am, and then Kate took my call, and I was on hold the entire hour, total two hours on hold, but still couldn't get through to you this morning, so I'll try to email you my question.) Bro Marc asked me to text him (see screenshots attached in my "regular" email if you got it), and now this will end up having "eaten up" FOUR HOURS of my time just yesterday, and more this morning. Since you can read my email and help prevent the disaster which I document here, in less time than 4 hours, please do me this favor, Bro. Rob... what was supposed to be a short  call... is not.

*****SUMMARY:** *My question is a national (not personal) financial question, and is a bit "hard," but you do occasionally discuss this topic,*

below, especially when you have guests on, so my question, while hard, is not without precedent, just a heads-up. --- My question also is a simple YES//NO question: Do you agree with my proposed solution?

As an aside, my suspicion that a question that had greater than average ability to avert disaster would draw concomitant larger spiritual push back or resistance, well this seems to have been an accurate prophecy or guess on my part: I suppose that a question that might fight the "largest" area of irresponsible spending would, logically, draw the largest area of spiritual warfare from Jesus'es enemies in the spirit world, fallen angels, who are trying to inflict harm upon American economy and finances (thereby explaining why my call was given lesser priority over those which were less able to protect our economy and avert disaster-- but, Marc and Kate appear to have at least tried to get me through. (I cc copy them to acknowledge their hard work and thank them.)

I hate to mention such "negative" things that would distract from my actual question, but as my question was probably the most important financial problem we can fix (nothing else is larger in discretionary spending), it was better than the other callers. (Like both Jesus and Paul, harder questions often draw persecution or spiritual resistance from fallen angels, who work in many way to "push our buttons.") However,

unlike those other callers, I am skilled enough to email you, so perhaps it was a blessing to "slight" me since others who had important questions might be unable (or less able) to email you, as I am.

Anyhow, below is a copy/paste, correcting for a few spelling typos and adding references to verify claims-- of the text thread where I ask my question, and am emailing it to you since I couldn't get on:

GORDON: Bro. Marc, when is financial expert Rob West coming on? I want to ask a financial question. Bro. Gordon in Plant City, Florida///

MARC: Good morning Gordon. Rob will be on during the 8:00 hour this morning. Please feel free to text me your question for Rob. Thanks!

GORDON: Thx bro Marc. As it's a bit difficult due to the gravity or size, I prefer to ask it myself, and am on hold as I speak. But I'll text it, and ask you and Rob, so as to make it convenient, and plz bear in mind that as this question is probably the most important thing you'll discuss today save a matter of salvation or saving someone's life, you likely will experience some spiritual resistance from fallen angels, but here goes nothing: Student debt, at over \$2 trillion, is nearly ten percent of total Us debt[[1]], and while a few things are larger (defense or social security), this is the largest discretionary debt, thus the only thing possible to

cut. Now, students have more than fully repaid taxpayers and this even at illegally inflated levels of our price gouging tuition[[2]], some having paid several times their original debt, so students aren't at fault. But if lawmakers don't stop using tax dollars to originate (make) student loans to students who won't be able to keep this up, we WILL crash the dollar[[3]] as Revelation 6:6 implies (commentary says days wages for day's food = hyperinflation). [[4]]

Question-- since Republican platform clearly prohibits this spending[[5]], but ZERO GOP lawmakers have even TRIED, even when we held both House, Senate, and Oval office twice in recent decades[[6]], do you accept my theory that only 2 solutions exist, namely either an UNLIKELY miracle or return of bankruptcy to student loans[[7]], the latter which would both force dept of Ed to be more reluctant to lend if students can defend themselves in bankruptcy[[8]] and also to send a message to lobbyists to back off and allows lawmakers to cut pork spending?

***** YES // NO (Your answer)**

If yes, then please use your platform[[9]] to not merely complain but rather ask listening audience to demand lawmakers restore bankruptcy[[10]] as a check and balance to college debt. And google me Gordon

Wayne Watts for my research. If no, then what is your solution?

**We absolutely will crash the dollar if we fail to cooperate. [[3]]
No pressure here, but just a friendly heads-up!**

--Gordon Wayne Watts in Plant City FL

GORDON: I use a cheap phone, very very hard to type that. I hope my huge headache efforts here work.

**[[4]] Revelation 6:6, Holy Bible (AMP)
Amplified Bible:**

6:6 And I heard something like a voice in the midst of the four living creatures saying, "A quart of wheat for a denarius (a day's wages), and three quarts of

barley for a denarius; and do not [a]damage the oil and the wine.”

Footnotes:

[a] Revelation 6:6 This may be a warning to be very careful handling olive oil and wine, which ordinarily are basic commodities, because famine will make them very expensive. The vision indicates that famine and inflation will take such a toll that a laborer will earn only enough to feed himself with wheat, or to provide barley for a small family. He will have almost nothing left for clothing, shelter, and incidentals.
