Attn. Clerks) for 15-10295 (Searcy, et al. v. Strang) and: 15-10313 (Strawser, et al. v. Strang)

Monday, 02 Feb. 2015

I obtained consent from both parties in the Strawser case, but I only obtained consent from Defendants in re Searcy.

Although I am sure you will take my word, so long as I am writing you, I shall include copies of the "consent" emails.

The main purpose I am writing you is to inform you of why the Amici covers are two (2) different shades of green: I am simply ~~using~~ using "different" green colours because I realise that they may get mixed up due to human error. — That is the only reason.

Thank you, to clerks, judges, & all Court personnel for being available to process and hear our manifold REDRESSES.  
SINCERELY,

Gordon Wayne Watts

made a typo - I do favour a ban on Gay Marriage, but I do not like the 'Gay Adoption' bans, and I believe gay citizens should be able to adopt if they are the best parents, which is the case sometimes...

Sorry for the typo, whether or not I get consent from your side, I will fight for the rights of Gays to be able to adopt children

Would you consent to my filing of an amicus?

Atty Minter,

I wish to submit an amicus in Strawser v Strange, 15-10313, in the 11th Circuit, where you are lead counsel.

Please remember that when you were an amicus in the Brenner and Grimsley cases, lawyers on our side granted you consent. <http://gordonwatts.com/GayMarriageSuit/AmicusStall.pdf> see also <http://gordonwatts.com/DOCKET/GayMarriageCase.html> for full docket

Also, please remember that while you may not fully agree with me on the 100% of the issue (such as a definition of marriage), you remember my amicus brief (and the amended one the court allowed), which strongly opposed a gay marriage ban. (Or, if I wasn't strong enough on that point, I will be this time.)

Would you consent to my filing of an amicus in Strawser? Thx,
