

Selected documentation that Atty. Joseph Younes, Esq., a Chicago, IL accident attorney, is not only a vexatious litigant, but also, possibly involved in blackmailing Stewart Title and/or US Bank with regard to “Linda Green” robo-signing Mortgage Fraud and/or failure to give “clear title” for 1720 N. Sedgewick St. (Old Town district), Chicago, IL 60614.

Explanation: The documentation regarding US Bank (and one other bank and 2 other loan servicers) is the complaint that Younes submitted to the IL Atty. General's Office, in which he filed a complaint alleging that US Bank and friends were guilty of the aforementioned robo-signing fraud. (I.e., he admitted to knowledge of said fraud, but continued to participate in it, and benefited financially from it – GREATLY – as evidenced by the “sweet” deal he got on a Loan Modification, which was very-recently recorded at the Cook County, IL Recorder of Deeds office. (This, I admit, does NOT prove that he blackmailed these banks – tus, I am not guilty of slander, libel, or defamation of character or “false light,” however, it DOES give me the STRONG impression of said blackmailing: In other words, how could he get HUNDREDS OF THOUSANDS of dollars forgiven on the principal loan, and then get 2.0% interest for SIXTY (60) months, e.g., five (5) years, and then only a slightly higher amount thereafter.)

So, the documentation in question is as follows:

- 1) Younes' complaint to **Lisa Madigan (IL Atty. General's Office) against US Bank & 3 others** of robo-signing fraud—wherein Younes ADMITS to said fraud, but – as we all now know – kept participating in – and benefiting from – said fraud.
- 2) The VERY recent “Loan Modification” agreement, wherein Younes gets a VERY “sweet deal” in his Loan Mod, **as recorded at the Cook County, IL Recorder of Deeds Office**. Again, I do not allege blackmail, but I DO SAY, in no uncertain terms, that this Loan Mod looks VERY suspicious, odd, and unexplainable otherwise.
- 3) The numerous lawsuits filed by Younes against everybody and their brother (**in the Chancery, Law, and Civil Divisions of the COOK COUNTY, IL Clerk of Court, and as documented by their website**) – and these were only the ones I could find: Maybe other bullying and vexatious litigation filed by Younes, in appellate and/or Federal courts, exist.
- 4) **One lawsuit in particular: Why is Younes suing Stewart Title?** Again, it looks like he is admitting that they are guilty of failing to give him clear title, but yet Younes continues to participate in this particular title transfer, and benefit greatly. (CAVEAT: I can not tell exactly the details of the lawsuit, since the clerk's website only has docket entries, but this is what I infer, and – so far as I can tell – the only tenable or reasonable explanation.)

Copy/paste of raw data from Clerk's website appears below – and (CAVEAT) is unofficial. It may not be relied upon as “official,” since I (Mr. Gordon Wayne Watts of LAKELAND, Florida, USA) am a private entity. Please check with official Court records for “official” information. Please note: I do not warrant the accuracy, completeness, or the currency of this data. The data, which I am copying/pasting and/or linking by website URL, is not an official record of the Court or the Clerk and may not be represented as an official court record. HOWEVER, I DO warrant that it is, to the best of MY knowledge & understanding, correct, complete, and current, as best as ****I**** can ascertain and determine. **~~Gordon~~**
