Thanks for replying, Tony. I'll let you know when I receive it.

It's in standard MP3 audio format, or something similar, right?

PS: One other way you could have done it would have been to have uploaded the file to a web space, and given me the secret link. That method would have worked, and is often used. (Moreover, you might want to publicly post the meeting for all to hear, but that is a decision for the webmaster of your site to make.)

Thanks again - will stay in touch.

Gordon
