Counsel,

I have filed a timely notice of appeal in this case. It is attached - and dated Wednesday when I timely filed it (see USPS 2-day Priority Mail receipt). My apologies for not serving you a courtesy copy via email until today, 2 days later, but I had several last-minute house and pet and family emergencies, and then I had to make sure my online docket was updated. These delayed me. **My apologies.** (I will make up for that by including some hopefully helpful mortgage rescue scheme case law in this attachment. FYI: This notice of appeal, however, has several notices and motions appended and bundled together for the sake of brevity/simplicity. See enclosure.)

PS: Counselor Galic: Before I forget, the IARDC asked me to provide to your elderly client, Mr. Daniggelis, the enclosed information about the 'Client Protection Program.' It is attached-along with its underlying complaint. Their reply concerned Mr. Shelton's case, No. 2015IN03388, but does not address Mr. Younes' pending sister case, No. 2015IN03387.

Additionally, for your convenience, I have posted this -- and most or all -- filings online at these online dockets:

Should you lose these links, my docket of selected items is still front-page news on *The Register*, my namesake blogs.

I hope you all have a happy new year.

Best,

Gordon
