Chris, this is Gordon again.

My apologies for the brevity of my curt reply below, but I am being evicted, and I just lost my elderly father, and now my friend, Rich Daniggelis, the elderly victim in this case where I named your Judge as a defendant, is homeless because of a broken judicial system, and lost his house (and hundreds of thousands in documented equity) on admitted mortgage fraud, without being paid a dime.

I have been under a lot of stress/pressure- again - apologies. Now, all that I said below was true, but I left out key points to reply to your valid, and genuine, concerns regarding prohibited "ex parte" communications with, say, a judge overseeing a case, and I amend now:

As you know, 5 ILCS 430/5-50 defines ex parte communications as: "any written or oral communication by any person that imparts or requests material information or makes a material argument regarding potential action concerning regulatory, quasi-adjudicatory, investment, or licensing matters pending before or under consideration by the agency." HOWEVER, it goes on to say that: ""Ex parte communication" does not include the following:... (ii) statements regarding matters of procedure and practice, such as format, the number of copies required, the manner of filing, and the status of a matter;," which is the case, here. I am trying to follow the proper procedure on filing my Record on Appeal, because I know that the appeals court Justices have a hard job, and can not read minds, and (as yet) do not have access to the electronic record in the case, in the same manner as Circuit Judges in the Law division (but I am seeing if I can change that procedure, as I speak).

To clarify, no, I am not making any arguments to Judge Shelley via email about my case (tho a few hints were included in my comments in my request for the record). To begin with, you, not she, screens the email, as you are her clerk --and, as such, you are charged with preventing the judge from prohibited ex parte communications on the merits. Moreover, were I I to desire to make an argument before this judge, I would file a motion or other pleading -- such as I did in my 04/20/2018, which is on docket at 2007-CH-29738, GMAC v. Daniggelis, Watts, et. al., where even the docket attests I am a named defendant, and thus a party of record eligible for In Forma Pauperis grant, which

allows me my Record on Appeal gratis and for free. Lastly, as 5 ILCS 430/5-50 clearly says, some ex parte communications are allowed, such as setting hearing dates, procedural matter, like my record, and other exceptions, incl. but not limited to, say, orders of protection, which, of course, preclude the other side from hearing.

I know you meant well, and I don't fault your motives or intents, but, no, I am not making ex parte merit arguments to the judge, here, in my email: Again, had I wanted to do that, I would have filed a motion, such as my 04/20/2018 filing, which is **ON DOCKET at the above-referenced case, and linked here

https://courtlink.lexisnexis.com/cookcounty/FindDock.aspx?NCASE=2007-CH-29738&SearchType=0&Database=2&case_no=&PLtype=1&sname=&CDate=

on which the judge did NOT rule on... even tho, within the body of my SHORT AND SUCCINCT 'notice' filing, I clearly move for a Rule 321 limitation of the record. Your judge CAN NOT claim the she didn't receive my motion, as it is clearly court-stamped. Here is another copy, or two, in case you've lost your copy:

** https://www.GordonWatts.com/MortgageFraudCourtDocs/Fri20Apr2018_MotionClarification_07CH29738_LawDiv_Watts.pdf

or

** https://www.gordonWAYNEwatts.com/MortgageFraudCourtDocs/Fri20Apr2018_MotionClarification_07CH29738_LawDiv_Watts.pdf

Lastly, when service a copy upon the court and clerk, it is customary to include the judge's chambers a copy of all my filings, motions, etc. Even Judge Otto, who issued the blatantly Unconstitutional ruling, giving elderly Daniggelis' to the local rich attorney, Joseph Younes, without any legal basis, never objected to my having served him copies of my filings, and, up to this point, neither have you.

In conclusion: Your concerns are noted, and again, I do not impute malicious motives on your part, but, as a matter of law, your concern is misplaced. Lastly, no matter how frustrated I am with Judge Shelley's blatant disregard for the title theft in this case, I am not trying to insult her (or the judiciary) in any way, and, for the record (this email thread is slated to be in my appendix to demonstrate to the appalls court prosecution on my part regarding procurement of the record on appeal), anyhow, for the record, I will attest and affirm that I vividly recall Daniggelis telling me in numerous phone conversations that Judge Shelley told Andjelko Galic, his attorney, that she would grant his nonsuit (voluntary dismissal) motion, docketed on Dec.07, 2017, that day, but that she couldn't guarantee that she'd be around to hear the case when/if he refiled it in the Law Division, which implies that she wanted to do her best to assure Galic that he would get a fair day in court, but warn him of her limitations regarding transferal out of the division, or random reassignment of the new case to another judge. I'm grateful & thankful that Judge Shelley made such reassuring & respectful comments to Atty. Galic, letting him know that she was doing her best. My recollections on her comments to Galic do not impact the merits of the case, and are, therefore, not prohibited ex parte communications, and, moreover, I'm angry at the court, in general, and Judge Shelley, in particular, for her comments to Daniggelis, telling her to ask me to butt out of

the case, my Intervention rights, notwithstanding, so I have no motives to enter into the record a positive comment about the judge, but my religious beliefs -- whatever they be -- compel me to be honest, respectful, and back up my intents with actions to help the other parties, and judges, to be able to do their jobs as easily as possible, even if I, myself, feel I am being treated unfairly.

With kind regards, I am, Sincerely,

Gordon Wayne Watts
