Re: GMAC Mortgage, LLC v. Watts, Gordon Wayne, No: 1-18-0091 (Appellate Court of Illinois, First District)

Court and Counsel:

I have just filed my Docketing Statement and Appearance in the above-captioned case; it's attached as a PDF file. Also, while it's probably very boring reading, I'm required by court rules to serve you a copy of my Fee Waiver Application in the appellate court (take a look at the approved form attached to this email to verify this requirement). While the trial court's waiver app doesn't make this same requirement, I'm attaching it just in case some legal wonk wants to ask the IL Supreme Court to change the appellate form rules to allow Fee Waiver applications to be sent *ex parte*, e.g., solely to the court, like the trial court app, here. See also the receipts from my eFiling to verify it was filed with the court.

My apologies for sending you a 2nd copy of my Docketing Statement (which I previously served you with my Notice of Appeal), **but the reviewing court asked me to resend it once I got a case number**; it's attached, as I'm required to do. Also, I updated my Docketing Statement with new proposed arguments (not in my prior Docketing Statement that I sent you earlier), now that I got a "redo." I addressed some overlooked legal points, chiefly an older 2013 order by Judge Michael F. Otto, in which he admits massive fraud, thereby helping my argument, an order dated March 08, 2013, in which he basically admitted fraud; Otto's order & my analysis, is a good read, in my opinion.

**** P.S.: Please note, in the cc line of this email, the current and updated service addresses all parties, as there have been a few additions/deletions, since last**

time. **

Besides the hard copies served via U.S. Postal Mail, and the electronic copy of my filing, served, hereto (and via court-approved efilings), you can, for your convenience, also pick up your copies of the all the key filings, on my Open Source (free) online docket—which appears to be up-to-date—in the above-captioned case (and related cases), linked as front-page news on my namesake blogs, below, or direct URL, here:

<http://www.GordonWatts.com/MortgageFraudCourtDocs/DOCKET-MortgageFraudCase.html>

or here

which, unlike the court's docket, has downloads available: [https://courtlink.lexisnexis.com/cookcounty/FindDock.aspx?NCase=2007-CH-29738&](https://courtlink.lexisnexis.com/cookcounty/FindDock.aspx?NCase=2007-CH-29738&SearchType=0&Database=2&case_no=&PLtype=1)

Let me remind everyone that there's a CASE MANAGEMENT CALL in Court Room 1105, before Hon. Patrice Munzel Ball-Reed, Associate Judge, CIVIL DIVISION, in the related Housing/Code case, at 11:00am CST, on Thursday, 25 January 2018, the sister-case, where Mr. Younes is also a defendant, ***City of Chicago v. Younes et. al.***, case #: **2017-M1-400775**. Here's the Court's docket to verify:

For your reference, this code violation case is the one which was featured in at least seven (7) recent DNAinfo stories, and other news sources—two of which are shown here for brevity:

** “Rotted' Historic Building In Old Town Triangle Could Be Seized By City,” by Ted Cox, *DNAinfo*, Mar 30, 2017:

—and several related stories *The Register*, for which I'm the editor-in-chief, & more-recently, *ChicagoCityScape*:

** “Landmarks commission still threatening fines if house in historic district isn't worked on once building permit is issued,” by Ted Cox, *ChicagoCityScape*, Nov 09, 2017:

Both the Housing and Law Division filings are docketed on the Open-source docket above, on my personal blog. Or, you could wait for the hard copies, which are in the mail to you, as required by Court rules. Should you lose these links, above, my open-source docket is still linked through the front-page news item in question, on *The Register*, my namesake blogs.
