Subject: Proper Service Address for Hon. Diane M. Shelley, Circuit Judge (Law Division)

Dear Jake or Christine:

With regards to the 3 PDF attachments, in this email here, which I have filed in the case so denoted in the style of the case, I may, *if I have time*, file a supplemental sworn & notarised affidavit of a few more things I have discovered, as a witness to this case. In addition to being friends with the defendant (thereby having knowledge of the case), I also have a good grasp of law, as documented by the 4-3 loss in one high profile case I litigated all by myself in the Fla. Supreme Court, and so cited & documented in the filings in question.

CAVEAT: My inclusion of these filings IS NOT a prohibited *ex parte* communication (since, of course, I've already filed them, as you can verify by looking at the docket and the case file), but I am including them as a professional courtesy, since having them in electronic form is convenient, as well as to reference my request here: The court relies on electronic research. Therefore, additional hard copies of cases are not needed, only correct citations, which I am doing here via PDF attachments. Opposing counsel has already been provided with copies, as indicated in the CERTIFICATE AND AFFIDAVIT OF DELIVERY (aka: Certificate of Service), and in many cases documented by signature delivery confirmation.

The reason I write today is that I do not have the current/updated service address on file for Judge Shelley: Room 1912 is listed at her profile here: <http://www.cookcountycourt.org/JudgesPages/ShelleyDianeM.aspx> and on the main page here: <http://www.cookcountycourt.org/ABOUTTHECOURT/JudgesInformation.aspx> however her standing order here: <http://www.cookcountycourt.org/Portals/0/Law%20Divison/General%20Administrative%20Orders/Law%20Division%20Standing%20Order.pdf> lists Room 2811 as the correct room. Moreover, when calling her number, (312) 603-7551, the message redirected me to [312-603-4811](tel:312-603-4811), which said her room proper was 2401. Lastly, when I called [312-603-5940](tel:312-603-5940), some unnamed clerk in Judge Flannery's office said that 1912 was the correct room. While I don't know if I need to serve both the Law Division Clerk and the Judge's Chambers, in the rare times I litigate, I strive to serve both - as a professional courtesy (and because sometimes mail gets lost). **QUESTION PROPER: What is the correct service address for Hon. Judge Diane M. Shelley? (And/Or, does she prefer to be served by email? That can be arranged.)**

This Court has a tough case here, not because of the legal questions (easy for me to solve), but rather because ruling in a way that does justice with a fair scales and balance, would go against rich & powerful interests. Therefore, I hope my past filings are helpful to the court in figuring out what is truly going on. I hope to file additional statements of fact, but I can not guarantee anything. If I am unable to file anything, I hope my past filings and statements from Mr. Daniggelis, the key witness (he has NOT been deposed!) can help solve the mystery of this case for which your court has plenary and complete jurisdiction, now that all appeals are exhausted and remanded by MASNDATE back to the trial court - and now that Chancery has transferred the eponymous case to the Law Division.

I wish the court the best at sorting this out. If I can be of any assistance, my full contact information is found below.

Get Truth

"First, they [Nazis] came for the Jews. I was silent. I was not a Jew. Then they came for the Communists. I was silent. I was not a Communist. Then they came for the trade unionists. I was silent. I was not a trade unionist. Then they came for me. There was no one left to speak for me."(Martin Niemöller, given credit for a quotation in The Harper Religious and Inspirational Quotation Companion, ed. Margaret Pepper(New York: Harper &Row, 1989), 429 -as cited on page 44, note 17,of Religious Cleansing in the American Republic, by Keith A. Fornier, Copyright 1993, by Liberty, Life, and Family Publications.

Some versions have Mr. Niemöller saying: "Then they came for the Catholics, and I didn't speak up, because I was a Protestant"; other versions have him saying that they came for Socialists, Industrialists, schools, the press,and/or the Church; however, it's certain he DID say SOMETHING like this. Actually, they may not have come for the Jews first, as it's more likely they came for the prisoners, mentally handicapped, &other so-called "inferiors" first -as historians tell us-so they could get "practiced up"; however, they did come for them -due to the silence of their neighbors -and due in part to their own silence. So: "Speak up now or forever hold your peace!"-**GW**//
