Robert More, I had hoped to keep this indiscretion private, but will confirm that I privately and confidentially told this to you.

As his sins here, his refusal to keep a vow before God, will eventual become public anyhow, it is better sooner than later. Moreover, while your post is unpopular, you are commenting as a constituent, and if he or his staff delete your post, I will post screenshots and protest censorship, as tax dollars are used. (His personal social media he can censor, but this is public.)

On a personal note, Ross is not just my Congressman, but he and his wife, Aime, are my friends, and I am sad for any grief that **Ross Spano** has encountered here, but as I told you and others: He gave his word, a vow before God, to support the eventual GOP primary winner, and so did Franklin.

For the record, I messaged, phoned, and emailed Ross privately about this, so as to avoid embarrassing him unnecessarily, but sin must be confronted publicly if not addressed.

I have no motives to insult my friend, so my confirmation here is with pure motives: Ross sinned before God and man when he purposely chose not to endorse Franklin, and this hurts our pro-life cause and hurts the GOP. I had hoped the rumours were not true that I heard, but as time passed, it become clear: Ross had made up his mind to break his vows, and I can only guess why, perhaps soreness and anger over Franklin's view on the campaign finance controversy.

But you gave your word to endorse Franklin, and please do so while your obedience to God can make a difference before election day, this Tuesday.

We continue to pray for you, but YOU have a part to play, now play it.

Gordon Wayne Watts in Plant City, Florida, one of your constituents, your friend, and brother in Christ Jesus.///

Congressman Ross Spano (R-FL-15)

And selected true/genuine friends Cc'ed:

Cc: Lakeland Mayor Bill Mutz: I case Federal lawmakers fail to protect the grid, it falls to City, State, & local County governments-- and individual citizens: See below. Cc: Cub reporter Robert More///

Sorry to bother you again, but after I emailed you my "brilliant idea," I discovered that President Trump had beaten me to it -- "Brilliant minds think alike." See below & attached for his Executive Order doing (via Executive Branch powers) what I had asked YOU to do via Legislative Legislation. (Grammatical redundancy to underscore the importance and gravity of his idea-- which I accidentally copied.)

That said, Constitutional "Seperation of Powers" limitations limit Mr. Trump's abilities in this regard-- and so my Constituent request stands: Give Trump the help he needs here, please.

In unrelated (but important!) news, you recall I asked you to enroll legislation to Hardern/Protect/Upgrade the Power and Telecommunications grid, right?

Well-- I found a few good, bipartisan, bills that seem to address various aspects, and while I haven't reviewed them extensively yet, they all look meritorious, and are most likely deserving of your co-sponsorship. I'll list them below for your review.

Josh Steinhauer, if your friend, **Ross Spano** is really a "Christian" as you and others say, why is he fearful of enrolling legislation to advance the president's honest and Godly agenda, as **Gordon Wayne Watts** has repeatedly and vocally requested of him in a timely manner?

Those lazy and fearful Liberals who hate Trump will always find an excuse for not supporting this honest man of God, whom we have elected to lead our nation. Mr. Spano had better support God's man in The Whitehouse, lest he incur the following eternal curse:

Apoc. 21 Catholic Holy Bible (which you protestants call the book of Revelation)

6 And he said to me: It is done. I am Alpha and Omega; the beginning and the end. To him that thirsteth, I will give of the fountain of the water of life, freely.

7 He that shall overcome shall possess these things, and I will be his God; and he shall be my son.

8 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, they shall have their portion in the pool burning with fire and brimstone, which is the second death.

Gordon Wayne Watts dude, you need to stop airing dirty laundry and acting like a jerk. You aren't helping your cause and only making yourself look bad with this BS.

Ross doesn't owe Franklin squat. The guy is a liar and a cheat. He flat out made up claims against Ross to create doubt and uncertainty in the election so he could primary him. I hope he loses and loses bad. I'd welcome Ross to run again for his seat. Even as a primary challenger to Franklin.

Others aired it previously, but I must be free to respond. You make good points, **Josh Steinhauer**, but I'm still unclear on one key point: If **Ross Spano** felt this way, why did he make a vow on this? I mean, it's not like he learned anything new in Franklin's accusations: Franklin made himself clear on that well-before their mutual agreement here. Moreover, I *do* hold to Biblical standards, and an example is Joshua chapter 9: The Gibeonite lied to Joshua and Caleb, yet ISRAEL and it's leaders still had to keep their word here. They made an unconditional vow, not a contract which depends on performance of the other party.

I feel bad for Ross, but again, it's better to not make a vow than to make one and not keep it.

Gordon Wayne Watts

To be clear, **Josh Steinhauer**-- others, including but not limited to **Robert More**, aired **Ross Spano's** dirty laundry-- and so I am not to blame here.

But all secret sins will become public anyhow, so it's best to address it publicly. Besides, while Ross has a right to be mad if he was falsely accused, 2 wrongs make not a right, and Mathew 18:15-17 permits-- actually requires-- public airing of grievances if private conflict resolution methods don't work. Since Ross didn't reply to my private message, I would have been right to go public if Robert More had not.

Again, this was a vow, not a contract. Big difference.

People tell college loan borrowers not to take out the loan if they can't repay-- but these are contracts-- and in many cases, removal of bankruptcy by changes in federal law **VOID** the loan contract because there was no consent by both parties. But here a vow-- not a contract-- was made. If a changeable contract is given credibility in spite of frauds and illegal price-gouging and illegal change in terms, how much more an unconditional vow to God and man.

Josh Steinhauer 

Gordon Wayne Watts at this point you need to just stop hounding Ross. On Tuesday someone new will be elected to office and you can hound them. Ross is not obligated to do what you want and he's his own free man.

When you go into a deal with someone on false pretenses, you are not obligated to the original details of that deal. We learned well after that debate and only a couple of days after the primary that the allegations against Ross were not only false, but were politically made up by the Franklin campaign and others supporting him to get rid of Ross. Now you want Ross to accept that and throw his support behind that kind of unethical behavior? Give me a break. I'd think less of Ross as a man and a Christian if he endorsed Franklin and got behind that.

What you are proposing and pushing on Ross is the swampiest of swamp behavior. It's the reason the never-Trumpers are so strong in this country and it's the reason why the GOP lost control of the house in the first place.

Ross has done more for our district in two years than the previous clowns who ran it. Now we're going to be stuck with a Rhine never-Trumper running the district or a Democrat.

Gordon Wayne Watts 

I'm not sure that I buy your 2-wrongs-make-right arguments, **Josh Steinhauer**, but if your allegations are true, then Franklin is guilty. That said, we are not a Christian nation any longer:

When you can just toss aside Biblical mandates to keep a vow because you think you're smarter than God, or more qualified to exact revenge/Justice (vengeance is MINE saith the Lord), we have lost it.

But since **Ross Spano** has stubbornly refused to support almost ALL of Trump's legislative agenda, he deserves to lose on lack of performance (even if he is innocent of campaign finance fraud, and I think he's innocent here, tho he used VERY poor wisdom, and, as a lawyer, should've known better!!).

- 1) Trump sought to eliminate the insurance middleman.
- 2) Trump sought to upgrade and protect the grid.
- 3) Trump sought to cut pork spending by way of loan limits regarding use of tax dollars to make or guarantee collegiate loans.
- 4) Ross Spano has REPEATEDLY refused to enact ANY legislation on these 3 key and Sine Qua Non required legislative priorities.
- 5) while Trump is silent on student loan bankruptcy equality, the U.S. Constitution is NOT, and H.R.2648 and S.1414, the bills in question, are NOT a free handout, but rather, required by the Uniformity clause of the U.S. Constitution, and I add, JESUS'S golden rule, if, that is, you are not ok with all YOUR contacts having their terms ILLEGALLY changed AFTER signing them, as the unconstitutional changes in Federal law did, violating also the Contract and ex post facto Law clauses, and, as stated earlier, Jesus's standards.

So, while Ross may very well be innocent of this one matter regarding Franklin's accusations of campaign finance fraud, he nonetheless spit in Trump's face and (by his actions, even if not words) told Trump and friends to go jump in a lake: "I will NOT support Trump's key agenda."

This is highly offensive to me, a Trump supporter and follower of Jesus: People bled and died to get us an honest politician who can't be bought off (referring to Donald Trump), and Ross has the nerve to spit in his face and stubbornly refuse to enact most (even tho i admit, not all) of Trump's agenda, and also spit in Jesus's face and stubbornly refuse to follow the golden rule?

He is getting paid good money for his job, and 44.7 million Americans with student debt and another 40-50 million cosigners, about EIGHTY-FIVE (85%) who will NEVER repay the illegal price-gouging monopoly-inflated costs, but see their balance continue to go up even after paying 2 or 3 X principal, and many Trump supporters are not pleased and hate his guts.

But as angry as I am, I will not return evil with evil, or seek revenge, but rather encourage Ross to turn from his sinful ways, and (finally!) support Trump's honest and Sine Qua Non required agenda, lest we crash the dollar, crash the

grid, and alienate voters, losing the Senate like we lost the House, and for the same (preventable) reasons.

Robert More

This comment shall constitute the initial component of complaint to Congressman **Ross Spano** and complaining about defraudments committed due to his refusal to keep his promise to support pro-life GOP candidate, Scott Franklin:

The undersigned, Robert J. More (RJM) comes now to complain to Congressman Ross Spano for failing to keep his word to publicly support and endorse the eventual GOP Primary Election winner, as documented in this video at the following URL links:

URLS: <https://Vimeo.com/445888418>

<https://www.youtube.com/watch?v=4ZqW65EKauw>

<https://web.archive.org/.../https://vimeo.com/445888418>

See the last 3:15 of the shorter facebook video, from stamps 22:50 to 23:15 for above urls

Spano has never made good on this promise that RJM knows of and has left the congressional seat unprotected from procurement by the pro-abortion Democrat candidate, whomever that may be. Spano has also previously refused to act to enact various Trump agenda (see URL: <https://www.forbes.com/.../trump-proposes-limits-on.../>) and now seeks, by his negligence, to prevent new GOP candidate, Franklin, from doing the same. This constitutes a second defraudment of his office. FTR, RJM is not totally familiar with GOP candidate, Scott Franklin, but finds Spano's actions (inactions) deplorable because the Democrat candidate is much more dangerous in many of his policies than candidate, Franklin.

RJM supports the claims that neighbor, **Gordon Wayne Watts** (GWW) has told him privately, namely that Mr. Spano has broken his vows before God and must confess his sins and keep his vows in this regard. The sins that Spano has committed privately will be displayed publicly unless or until he ceases this sinful behavior by public confession and a ceasing of this sin. RJM now posts this public demand to Spano to, before election day, when it can "make a difference", endorse publicly, as he promised, Mr. Franklin, so that the deaths of any unborn children whose lives might be lost might due to Spano's negligence in protecting the congressional seat not be laid to the hand of Mr. Spano. RJM herein also demands that Spano support the agenda of Trump, so long as it is not sinful.
